MISCELLANEOUS.

Before we give up Christ for the pur-
 suit of riches, hadn't we better ask a mil-
 lionaire how much money it takes to make
 one happy?

You cannot be well unless your blood
 is pure. Therefore purify your blood with
 the best blood purifier, Hood's Sarsapa-
 rilla.

 turn of fortune's wheel is.

Lord Salisbury became premier for the
 third time at 65. He is eleven-and-a-half
 years younger than Mr. Gladstone was
 when he achieved the same rare distinc-
 tion.

BRIGHT CHRISTIANITY.

The Author of the sunshine didn't
 light at night the dreary church of dim
 religious shadows—he made the light of
 day, and told men how to light the night.
 Progressive Christianity works in the
 light—the meeting house of dimness isn't
 the church of success—there is cheer and
 Christian comfort in the well-illuminated
 meeting room. I furnish the artificial
 light of night—I have a book on Church
 Lighting—129 pictures of chandeliers for
 gas, oil, electricity—I have reflectors and
 side lights—I tell you how best to light
 your church, and charge you nothing for
 the information. I. P. FRANK, 551 Pearl
 Street, New York.

 versity on less than two dollars a week.

WORTHY YOUR CONFIDENCE.

The success of Hood's Sarsaparilla in
 conquering scrofula in whatever way it
 may manifest itself is vouched for by
 thousands who were severely afflicted by
 this prevalent disease, but who now re-
 joice over a permanent cure by Hood's
 Sarsaparilla. Scrofula may appear as a
 humor, or it may attack the glands of the
 neck, or break out in dreadful running
 sores on the body or limbs. Attacking
 the mucous membrane, it may develop
 into catarrh or lodging in the lungs lead to
 consumption. Come as it may, a faithful
 course of treatment with Hood's Sarsapa-
 rilla will overcome it, for working upon
 the foundation of all diseases, impure
 blood, the system is clarified and vitalized,
 and vigor, strength and health restored to
 the body.

Dean Farrar's publishers have issued
 an interesting announcement about the
 circulation of his books. His "Life of
 Christ" has now passed into its twenty-
 third edition. "The Life and Work of St.
 Paul" has reached its twentieth, while
 9,000 copies of "The Early Days of Chris-
 tianity" have been sold. These are only
 library editions, and do not include illus-
 trated and popular issues.

SHE DIDN'T TAKE WITH THE GENTLEMEN.

She was refined, intelligent, and not
 bad looking, but somehow she never seem-
 ed to take with the gentlemen. They
 didn't like her listless ways; they said
 she hadn't any "snap" about her. Poor
 girl! she was suffering from functional
 irregularities, and it was actually impos-
 sible for her to take much interest in any-
 thing. But a change came. One day she
 heard of Dr. Pierce's Favorite Prescrip-
 tion. She procured a bottle, and she had
 not taken half its contents when she felt
 like another woman. Now she is in the
 enjoyment of perfect health, and has suit-
 ors by the score. No woman need suffer
 from functional irregularities and weak-
 nesses. The "Favorite Prescription" is a
 safe and certain cure for all the weaknes-
 ses to which women are peculiarly sub-
 ject.

Dr. Pierce's Pellets cure constipation,
 biliousness, indigestion and headache.

 THE CANADA PRESBYTERIAN

Cecil Rhodes, the most interesting man
 in the Cape House of Assembly, is as
 "restless on his seat as a spring doll."
 Rarely does he retain the same attitude
 for two minutes in succession. When he
 speaks he comes to the point at once, but
 he is somewhat difficult to follow, never-
 theless. The statement that he thinks
 aloud is a very apt description of his style
 of address. The ending of his speech is
 usually as abrupt as his introduction.
