## Choir Leader Wanted

For St. John's Presbyterian  
Church, Almonte.

Applications stating salary for leader, or for leader and organist combined, will be received until August 1st. Duties—Regular Church services and weekly prayer meeting. Address,  
JOHN McCARTER, Almonte, Ont.

The 75th anniversary of St. Andrew's Church, Lanark, was fittingly commemorated. On Sabbath 28th ult., the Rev. A. H. Scott, of Perth, preached two sermons appropriate to the occasion. On Monday evening there was a large meeting presided over by the Rev. Jas. Wilson, the late pastor of the congregation. Rev. D. M. Buchanan read a history of the congregation since its organization in June, 1821, by the Rev. Mr. Bell, of Perth. During the evening addresses were delivered by Rev. Messrs. Currie, Leitch, Binnie, McIntosh and Mr. W. C. Calhoun. Miss Mayfair rendered two very appropriate solos and the singing of the choir was highly appreciated.

## the doctors

approve of Scott's Emulsion. For whom? For men and women who are weak, when they should be strong; for babies and children who are thin, when they should be fat; for all who get no nourishment from their food. Poor blood is starved blood. Consumption and Scrofula never come without this starvation. And nothing is better for starved blood than cod-liver oil. Scott's Emulsion is cod-liver oil with the fish-fat taste taken out.

### PRESBYTERY MEETINGS.

STRAITFORD: This Presbytery held its regular meeting in Knox Church, Stratford, on July 14th. Mr. McLachlin, of Harrington, Moderator, presiding. After some routine business Mr. M. L. Leitch, of Knox Church, Stratford, was elected Moderator for the next six months. Mr. Henderson's resignation of the pastoral charge of Atwood and Monkton was accepted, the pastoral tie to be dissolved on Aug. 16th prox., and the charge declared vacant by Mr. W. Cooper, of Listowel, on the following Sabbath, Mr. Cooper to be Moderator of the vacancy. The following resolution was unanimously adopted:—"This Presbytery, in accepting Mr. Henderson's resignation, cannot do so without placing on record its very high estimate of him as a man and a minister of the gospel. We desire to take special notice of the grand work accomplished by him in Atwood and Monkton in building up one of the largest congregations in the Presbytery, and also that he has been very successful in his work among the young. We have found him in the Presbytery a most efficient member and always ready to do whatever the Presbytery might require of him. Our best wishes go with him into whatever field of usefulness God may open up for him, and we trust in God's good Providence that his special gifts may soon find a proper sphere for their exercise." Mr. A. Stewart, student, delivered a sermon on Rom. i. 16, and was duly certified to college. Mr. T. A. Bell, B.A., was examined for licensure in all the prescribed subjects. His examination was sustained as satisfactory, and he was licensed to preach the gospel.—A. HENDERSON, Clerk, *pro tem*.

## Snatched From Death.

Dr. Agnew's Cure for the Heart  
Saves the Life of a Lady Resident in the North-West.

His Wonderful Catarrhal Powder Cures  
a Nova Scotia Resident of  
Catarrhal Deafness.

When heart failure overtakes a person, unless the action of the heart can be immediately accelerated, the very worst results may follow. This is where we hear of so many cases of sudden death from heart disease. The elements that constitute Dr. Agnew's Cure for the Heart are such as to give relief in this particular immediately, without producing any hurtful effects. Then, continued with a little patience, the disease becomes banished from the system. Mrs. J. L. Hillier, of Whitewood, N. W. T., says very plainly that this remedy saved her life. She had been much affected with heart failure, finding it almost impossible to sleep or lie down for fear of suffocation. The best doctor's skill in these Northwest Territories was of no avail. She says—"A local druggist recommended a bottle of Dr. Agnew's Cure for the Heart. I tried it and with the result that I immediately secured ease, and after taking further doses of the medicine the trouble left me. The fact is, knowing how serious was my condition, this remedy saved my life."

It would be a mistake to suppose that Dr. Agnew's Catarrhal Powder will only cure the milder forms of catarrh. It will certainly do this, and with wonderful expedition. But, as in the case of Mr. John MacInnis, of Wathabuck Bridge, N. S., it will cure the worst cases of catarrh. This gentleman suffered from catarrhal deafness, but after using one bottle of this remedy he was able to hear as good as ever. Painless and delightful to use, it relieves in ten minutes, and in a little time permanently cures catarrh of all kinds.
