SCHOOL FURNITURE

The Bennett Furnishing Co., of London Ont. make a specialty of manufacturing the latest designs in Church and School Furniture. The Catholic clergy of Canada are respectfully invited to send for catalogue and prices before awarding contracts. We have lately put in a complete set of pews in the Brantford Catholic Church, and for many years past have been favoured with contracts from a member of the clergy in other parts of Ontario, in all cases the most entire satisfaction having been expressed in regard to quality of work, lowness of price, and quickness of execution. Such has been the increase of business in this special line that we found it necessary some time since to establish a branch office in Glasgow, Scotland, and we are now engaged manufacturing pews for new churches in that country and Ireland. TESTIMONIAL.  
Messrs. Castle & Son have put in stained glass in all windows of our church. These windows present a magnificent sight, and add greatly to the beauty of our temple. It would be very difficult to be better served than we have been by Messrs. Castle & Son. The figures placed in the six windows in the Transept are perfect. The best workmen in Europe could not give better or more perfect finish. Messrs. Castle & Son deserve the patronage of all who intend having this kind of work done in their churches.
