The *Brandon Times*, of Thursday last, is authority for the statement that the completed portion of the Northwest Central railway will be opened at once for regular traffic. Some difficulty between the company and the con-

McBean Bros., grain merchants, Winnipeg have dissolved partnership, Duncan G. McBean will continue to carry on the business as usual. A. G. McBean withdraws from the Winnipeg business, and will continue in the same business at Montreal.

A Halifax despatch says: "It is understood here that an English syndicate is negotiating for the purchase of the sugar refineries of Canada with the intention of combining them under one management. The purchase of the principal breweries in the Dominion is also contemplated. Both schemes have made considerable progress, but it is said that all the refinery proprietors have not yet agreed to sell."
