

PAPETERIES

THERE is always a certain amount of anxiety to the manufacturer when introducing an entirely new range of goods. This applies especially to such seasonable lines as Holiday Papeteries, but we are pleased to say the result of our efforts as now being shown in this year's line is more than satisfactory. By the study of harmonious coloring, beauty in richness, utility, and dependable quality, we have pleased the most severe critic.

These Papeteries are unique in shape and dainty in design, even in the low priced lines. They are worthy of their name, the

"DE LUXE" SERIES

The increasing demand for this class of "Holiday Gift" goods is deserving of serious thought. May we suggest that you see our samples before buying?
