DATE OF PUBLICATION

Architects, engineers, municipal authorities and others are reminded that the CONTRACT RECORD is printed every Tuesday afternoon, and that advertisements should reach the office of publication not later than 2 o'clock p.m. on that day to insure insertion in the issue of the current week. Advertisements are frequently received too late for insertion, to avoid which special attention is directed to this announcement.

The Toronto Foundry Company, manufacturers of plumbing supplies, have removed to commodious new premises at the corner of Jefferson and Liberty streets.

MUNICIPAL DEPARTMENT

ACT FOR THE IMPROVEMENT OF PUBLIC HIGHWAYS.

The complete Act for the Improvement of Public Highways, which received the assent of the Legislature last session, is as follows:

His Majesty by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows.

1. The sum of \$1,000,000 is hereby set apart to be paid out of the Consolidated Revenue Fund of the Province to aid in the improvement of public highways, subject to the terms and conditions hereinafter set forth.

2. (1) The highways to be improved in any county may, before the 1st day of January, 1904, be designated by by-law of the county council, and a copy of such by-law shall be transmitted forthwith to the clerks of the townships of such county.

(2) The municipal councils of the townships shall within three months of the receipt of such notice from the clerk of the county council, take into consideration the highways so designated in said by-law and shall report their acceptance or rejection of the same to the clerk of the county council.

(3) On the receipt of such reports by the clerk of the county council from the clerks of the township councils in the county, if it should appear that one-third of the township councils are adverse to the highways designated by the county council as county highways, then the roads within such townships as reported adversely which are to form part of the county highway system of such township shall be determined by arbitration as provided in the Municipal Act.

(4) Where it appears that more than one-third of the township councils disapprove of the system of highways designated in the by-law submitted by the county
