

THE
HOTEL

CECIL LONDON

*Architecturally Famous as the
Finest Hotel Structure in Europe*

YOU can make a preliminary acquaintance with the Cecil by requesting a Booklet. This little volume presents by illustration and description a fair idea of the Hotel's luxurious interior, its imposing exterior, the cost of a stay, either brief or extended, and contains a variety of general information of service to the visitor to town. It can be had for the asking from the Offices of THE CANADIAN MAGAZINE, Toronto, Canada.

The Cecil is a cosmopolitan Hotel in the broadest sense of the term, with a Fixed Tariff based on a strict relation to the MODERN COST OF LIVING. Accommodation can be had from the modest, but comfortable, Single Room to the most elaborate Suite. The Public Apartments—spacious and elegantly equipped—have no rival in Europe. The situation of the Hotel is Central and Convenient; indeed, a SOURCE OF CONSIDERABLE TRAVEL ECONOMY to visitors to town on business or pleasure bent.
