Tales of the Five Senses. We will commence the publication of Griffin's Works about the 20th of March, and will continue to issue a volume every month until they are completed.

The following notice is from the pen of William Carlton, certainly no mean judge in these matters :--"Gerald Griffin stands on the same pedestal with Banim.--If weighed in opposite scales, a feather would turn the balance. Griffin's 'Collegians' is one of the greatest, if not the great est, Irish novel that ever was written. Yet, our judgment staggers when we think of 'Crohoore of the Billhook.'--Griffin's poems are exquisitely beautiful, and flow with such tend erness as we can scarcely find in any other Irish poetry.'

MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, OF ROXBURY, . .

HAS discovered in one of our common pasture weeds a money that circs EVERY KIND OF HUMOR, from that medy that chres EVERT ALIND OF HOMOR, Jrent the worst Scrofula down to a common Pimple. He has tried it in over eleven hundred cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston. Two bottles are warranted to cure a nursing-sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of biles. Two bottles are warranted to cure the worst canker, in the month and stomach.

Three to five bottles are warranted to cure the worst case of erysinelas.

One to two bottles are warranted to cure all humor in the eyer,

Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and run.

ing alcers.

Two or three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most dow perate case of rheumatism. Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scretchin. A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken. Nothing looks so improbable to those who have in vais

tried all the wonderful medicines of the day, as that a com-mon weed growing on the pastures, and along old stone walls, non weed growing on the pastures, and along old stone walls, should cure every humor in the system, yet it is now a fixed fact. If you have a humor it has to start. There are no is nor ands, hums nor ha's about it suiting some cases but not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know the effects of it in every case. It has al-ready done some of the greatest cures ever done in Massachu-setts. I gave it to children a year old; to old people of sixty. I have seen poor, puny, wormy looking children, whose flesh was soft and flabby, restored to a perfect state of health by one bottle. one bottle.

To those who are subject to a sick headach, one bottle will always cure it. It gives a great relief to catarrh and dizziness. always cure it. It gives a great relief to catarrh and dizziness. Some who have taken it have been costive for years, and have been regulated by it. Where the body is sound it works quite easy; but where there is any derangement of the funo-tions of nature, it will cause very singular feelings, but you must not be alarmed; they always disappear from four days to a week. There is never a bad result from it; on the con-trary, when that feeling is gone, you will feel yourself like a new person. I heard some of the most extravagant encomi-tions of it that ever man listened to. ums of it that ever man listened to.

I made diligent enquiry for it in this section of the country, but could find none of it. My object in writing is, to know if you have any Agents in Canada; if you have, you will write by return of mail where the Medicine is to be found. "DONALD MERAE."

I had counsel from many Physicians, and tried all the kinds of Medicine recommended for my ailment, but found nothing to give relief excepting smoking Strano-neum, which afforded only temporary relief; but I had the good luck of getting two bottles of your Palmonie Syrup; and I can safely say that I experienced more benefit from them two bottles than all the medicine I ever took.
