

weeks; raws are reported in pretty strong shape, but 4½c. per lb. is still the refinery figure for granulated, with 3½ to 4c. the range in yellows. Molasses is being jobbed at 32½ to 34c. per gal. Teas are in fair request, with a strong market, more particularly for Japans. There is still some cutting in dried fruits among the French trade, but outside markets are firm, and we hear it reported that one considerable lot of Valencia's bought for this market, and coming by way of New York, has been sold in the latter city at a fair profit. We quote 5½c. for sound fruit in a jobbing way, layers, 6½ to 7½c.; Provincial currants, 5½ to

5½c.; cases Patras 6½, cases Vostizzas 7½ to 7½c.; ordinary Sultanias 7½ to 8c., bright golden 8½ to 10c. Importations of Malaga table fruit are light; we give corrected quotations; loose Muscatels, \$2; Royal Dehesas, \$2.75; London layers, \$2.20; Imperial Cabinet, \$2.40; connoisseur clusters, \$3.60; extra Dehesa clusters, \$4.25; Royal Buckingham clusters, \$5.25; Imperial Russian ditto, \$6.50. Candied peels as before quoted. Canned vegetables are still

very dull, salmon generally held at \$1.50 to \$1.60 for good standard brands, though there is some offering at \$1.45.

HIDES.—Very little in the way of news can be gleaned in this line of trade. Receipts of green hides are fair in quantity, with the demand just about absorbing the supply. Dealers are paying the usual 5c. per lb. for No. 1 green, and selling to tanners at 5½c. The few calfskins offering bring 5c. per lb.; lambskins 75c. each.

LEATHER.—Though the local market is dull, there are some considerable shipments of splits going forward to England, and local values in this line are steadier, though quotations cannot be altered. We have had waxed uppers rather high, and amend quotations. It is said some 100,000 bls. of splits have been shipped by last outgoing steamers of the season. We quote:—Spanish sole, B. A., No. 1, 21 to 23c.; do., No. 2 to B. A., 17 to 18c.; No. 1, ordinary Spanish, 19 to 20c.; No. 2, 16 to 17c.; No. 1, China, none to be had; No. 1, slaughter, 20 to 23c.; No. 2, do., 18 to 20c.; American oak sole, 39 to 43c.; British oak sole, 38 to 45c.; waxed upper, light and medium, 25 to 29c.; ditto, heavy, 20 to 25c.; grained, 24 to 26c.; Scotch grained, 28 to 30c.; splits, large, 15 to 20c.; do., small, 12 to 14c.; calf-splits, 32 to 33c.; calfskins (35 to 40 lbs.), 50 to 60c.; imitation French calfskins, 60 to 70c.; russet sheepskin linings, 30 to 40c.; harness, 20 to 26c.; buffed cow, 11 to 13c.; extra heavy buff, 14 to 15c.; pebbled cow, 9 to 14c.; polished buff, 10 to 12½c.; glove grain, 11 to
