slight disadvantage since the arrival of green stock, sales made by a Toronto house in the English market and in Chicago at a good fig-English market and in Chicago at a good figure will warrant, it is claimed, an advance of not less than ten cents over previous prices. Canned meats, too, are firm; future salmon, however, is not selling rapidly, but the proportion intended for Canada is said to be largely taken up.

The stock of grain in store at Port Arthur on May 25th was 3,096,868 bushels. During the week there were received 33,937 bushels and shipped 397,963, leaving in store on the 1st June 732,844 bushels.

HIDES AND SKINS .- Just at present the marthe same of the second of the The season for sheepskins appears to be about over and but little is doing. Tallow is a little steadier; dealers are paying 5½ to 5½c. per lb. and asking 5½ to 6c. per lb. for rendered, while rough at 2c. per lb. is lower.

LEATHER, BOOTS AND SHOES.—Trade is now between seasons and business is on the quiet side: manufacturers appear to be helding off.

side; manufacturers appear to be holding off; dealers, however, look for activity after, say, the 15th of the month. The boot and shoe the 15th of the month. The boot and shoe manufacturers complain of bad weather, which has greatly retarded the sale of seasonable goods. Travellers, however, it would appear are booking fairly large orders for fall goods. The enquiry for rubbers and overshoes is very active; and a prominent manufacturer reported that his house had probably taken double the number of orders this year as compared with this time last year. This is due to the fact that last winter was excessively severe, and stocks held by retail men were pretty well sold up. The usual season's difficulty is found in making collections.

PINE LUMBER.—Stocks of dry are, for the most part, pretty well shipped out, and within thirty days dealers will probably be drawing on green lumber. As a result of limited stock, prices have gradually stiffened; we note advanced quotations: 1½ in. flooring, \$16 per M.; 1½ in. flooring, \$16; 1 in. siding, common,
