

A PIANO OUT OF TUNE is not a pleasant thing to have around. **CHEAP PIANOS** are always out of tune. They are an expensive luxury. Poor material and poor workmanship make a cheap piano. The new beginner with such a piano to learn upon will never become accustomed to the right touch, or her ear to the right tone.

GOOD PIANOS do not necessarily mean high prices. We sell **Good Pianos** at a moderate price. We consolidate factory interests and minimize expenses. We are able to sell you **High-Class** instruments like the

GERHARD HEINTZMAN and **KARN** pianos, and instruments as popular as the

WHALEY ROYCE pianos, at prices that will convince you that the place to buy good pianos is at 188 Yonge Street, Toronto.

We have some rare bargains in second-hand, slightly-used Pianos and Organs. We would appreciate a visit from you.
