

- (16) the issuance of a Bangladeshi driver's license to Canadian personnel and their dependants without the requirement to undergo the normal testing procedures, provided a valid Canadian driver's license is produced;
- (17) all other necessary measures to facilitate the execution of projects; and
- (18) non-diplomatic multiple-entry visas to Canadian personnel and their dependants for the duration of the assignment.

II. The Government of Bangladesh shall, within thirty (30) days of the receipt of the nomination by the Government of Canada of the Canadian firms and the Canadian personnel for assignment in Bangladesh, indicate its approval of said Canadian firms and Canadian personnel. If no objection is received by the Government of Canada during this thirty (30) day period, the Government of Bangladesh shall be deemed to have accepted such nomination.

III. It is understood that Canadian personnel on assignment of six (6) months or more shall be entitled to annual leave during the course of their assignment.

IV. The Government of Bangladesh shall ensure that employment shall be guaranteed for a period at least equivalent to the duration of their Canadian-sponsored training programme to scholarship holders from Bangladesh upon their return to Bangladesh following completion of their Canadian-sponsored programmes of study, where such scholarship holders are employed in the public sector. Annual reports on the positions held by returned scholars for five (5) years or until they leave the public sector, whichever is less, following completion of their Canadian-sponsored programmes of study shall be provided to the Government of Canada by the Government of Bangladesh.

V. The Government of Bangladesh shall bond all training award holders, where such scholarship holders are employed in the public sector, at a level commensurate with the cost of training. This shall be done prior to their departure to ensure their return to Bangladesh on completion of their Canadian-sponsored programme of study and to encourage Canada-sponsored trainees to remain in the service of the Government of Bangladesh for a period at least equivalent to the duration of their Canadian-sponsored training programme, and shall ensure that such bonds are enforced.

VI. The Government of Bangladesh shall give access to Canadian personnel and their dependants to medical care and hospitalization in Bangladesh in accordance with those standards granted to officials of the Government of Bangladesh.
