Note No. 278
20 December 1996

Excellency,

I have the honour to refer to the Air Transport Agreement between the Government of Canada and the Government of the United Mexican States done at Mexico D.F. on 21 December, 1961, amended on 24 March, 1971 and to propose, on behalf of the Government of Canada, that the attached Article be included as Article V-A to the 1961 Agreement.

If this proposal is acceptable to the Government of the United Mexican States, I have the further honour to propose that this Note, with its attachments which are equally authentic in English and French, together with an affirmative Note in reply will be considered an Agreement between our two Governments. After our two Governments will have obtained the required approval in accordance with their respective constitutional procedures, this Agreement will enter into effect from the date on which an additional exchange of notes will be effected, as per Article XX of the 1961 Air Transport Agreement, as amended.

I avail myself of this opportunity to extend to Your Excellency the assurances of my highest considerations.
