1. The privileges and immunities provided in this Agreement shall be granted to their beneficiaries solely in the interest of the Agency and not for their personal benefit. The Agency has not only the right but also the duty to remove immunity from beneficiaries in all cases where, in its opinion, such immunity would prevent justice from being served and where it may be removed without harming the interests of the Agency.
2. The provisions of this Agreement shall not prevent the Government from introducing, as required and as of right, any safeguards to guarantee Canada's security and protect public safety, as well as the government's own interests.

ARTICLE 10

The Agency shall co-operate at all times with the appropriate authorities in Canada, in order to facilitate the orderly administration of justice, ensure compliance with police by-laws and avoid any abuse that could result from the privileges, immunities and courtesies listed in the present Agreement.

ARTICLE 11

Any disagreement arising between the Government and the Agency concerning the interpretation or enforcement of this Agreement or of any subsequent arrangements shall be resolved in the manner agreed on in the *Agreement between the Government of Canada and the Agence de coopération culturelle et technique relating to the seat at the Institut de l'énergie des pays ayant en commun l'usage du français*.

ARTICLE 12

This Agreement may be revised at any time at the request of the Government or of the Agency and may be amended or supplemented by subsequent arrangements, by mutual consent between the Parties. Where negotiations would not lead to an agreement within a period of one (1) year, this Agreement may be denounced by the Government or the Agency.
