Dear Sir:-

I have just received a reply from Mr. C. F. Sise, of The Bell Telephone Company to my letter of the 21st of March in your behalf.

He says that it may be possible to place you, at least temporarily for the May move, and if you will kindly call on Mr. George B. Higgins, 207 Mountain Street, he has no doubt he will give you a job.

Hoping that you will soon be satisfactorily placed, I am,

Ever yours faithfully,

A. W. Currie
