Officers' Indoor Ball Teams Open Up the Winter Season

Note and Comment

The Tecumsehs are not so far from the top of the N. H. A. as the eastern experts expected this time of the year. The won Saturday on ice made to order, and the husky Indians may figure as the real leaders this week. They should score again over Toronto on Wednesday, the same date that Quebec will surely fall before the Frenchmen at Montreal. Then, on Saturday, the Ancients will be entertained at the Arena by the McNamaras. while Canadiens are encountering the style of game they play in Ottawa.

Meanwhile our other team are embellishing the lower end of the table, but what's the difference as long as there's something to be thankful for? The fans love a winner, especially in professional

There are sixty-four rinks left in the Canada Life competition, and close followers of curling will tell you that any one of the nine mentioned below has a chance, and no surprise would be caused if any of these proved the winner in 1913. Group No. 4 looks the toughest, and it's there that the winner is likely located. If there was such a thing as making a book on a curling proposition, T. Rennie would be the most backed to repeat; but he must beat Brother Bob, even before reaching the semi-finals. before reaching the semi-finals.

The Granite rinks look best, and four of them are given places in the nine, with three to Queen City and one each to Lakeview and Toronto. Wilson of the to Lakeview and Toronto. St. Miques defeated Varsity here Saturuay in a Senior O H.A. match by the score of 9 to 2. The coilege boys took their defeat very much to heart, as they were so confident before the game and especially as they had selected their team from the Intercollegiate and O.H.A. squads and thought that by combining the two they could down the green shirts. It was too bad, but they were up against a great scoring machine who had speed It was too bad, but they were up against a great scoring machine who had speed and stickhandling to spare. Of the blue and white boys who were in the Imelignt Frith and Parker were the best, the former making many sensational rushes, but lack of assistance and too much circling kept him from scoring. Parker showed up well in goal and, in spite of the large score credited against h.m. he stopped scores of hard ones. McCamus took Goronon's piace and he was the star of the game and he checked back so hard and with such good results that he figured in nearly every goal getting play. Thompson, who took Bricker's piace in the nets, stopped some nice shots. All the others on the green shirts' line-up played brillantly and, altho they were not forced to exert themselves, they outskated their opponents at all times. Summary: opponents at all times. the Arena, and the little blue and white cumsels were the reason, and they upheld themselves so well that they beat the Torontos, 5—2. Altho feeling ran high against them at the start, the Indians steadily battled their way upwards, and the blue and white boys faded, until Billy Nicholson's squad skated their way to victory. It was a bitter pill for Torontos to swallow, but their local rivals beat them nearly all the way, assisted somewhat by a majority of the breaks. About .444 fans were on hand, almost equally divided as supporters, but a sudden change of feeling was evident in the last period, and Tecumsehs received roars of applause for their work. The crowd yelled themselves hoarse, and a perfect bediam reigned. The fannettes also did themselves justice in quite a thrilling manner. held themselves so well that they beat

Horace Gaul was on for four minutes, and he pulled off more raw work in that time than any other player during the whole game. He opened up with a crosscheck on Wilson's mouth, but Cully made a wide circle and got Mr. Gaul and added a little interest into the bargain. He next handed Foyston a hard crack across the arms, and being out only to scrap, he was promptly called to the bench.

Torontos missed "Minnie" McGiffen, who seemed just the man needed to break up those rushes with his vigorous back-checking and speedy skating.

Several of the players were scrambling on the Ice, but Billy Nicholson secured it in some mysterious way and sent it to the sides. Tecumsehs brought four men back on the defence and took no chances. The "Bobby" directed them to the Daly House, when, upon entering the bar, they unexpectedly ran into an old friend who had been living in Toronto a few years, and who greeted them with:

"Hello! you Johnnies; you're just in time to get an introduction to the finest Canadian Whisky."

HARRY GRIFFITH

Canadian Rugby Union Holds Annual Meeting-Hamilton Alerts and Ottawa College Out.

Harry Griffith was elected president, Joe Wright vice-president, and Billy Hewitt secretary at the annual meeting of the Canadian Rugby Football Union Saturday in the King Edward Hotel. It was decided that the incoming executive should appoint a com

ing executive should appoint a committee to look into the affiliation of this union with the A.A.U. of C. and report later. It was also learned that the committee appointed to look into the ab.guity of the rules made no definite finding. A new committee was appointed.

The difficulty was evinced on the standing of the Alert Club in its conrections with the O.R.F.U., now that it has been turned down by the O.H.A. The Alerts claim that the Hockey and Fugby Club are controlled by the one executive, therefore this affects their standing, which was good when they won their championship. The only way they can be properly reinstated is thru Quebec Clubs.

OFFICERS PLAY

League Season Auspiciously Opened in the Armories-Grens and Body Guards

The Officers' Indoor Baseball League opened Saturday night at the armories, before a very fair crowd, considering the outside weather conditions, and judging by the enthusiasm shown by spectators and players this promises to be a very interesting season for the supporters of the different teams. For opening games the class of ball played was away above the average, some of the men being in mid-season form, and with a little more practice to develop team work, some grand struggles will be witnessed in this league, for they have among the different teams some of the best players in the city. The league is better balanced this season, the weak teams of last season being strengthened. The champion Grenadiers won the opener from the Cavairy, thru better battery work and cleaner fielding. Some heavy hitting was induged in by both teams, the Grenadiers having a slight margin.

The second game was a surprise, the Body Guards showing surprising strength, deteating the Highlanders, who are always contenders for first place. On Saturday's play the Body Guards are the team to beat this season. They trotted out a bunch of players that know what to do with the ball when they get it, fast on the bases and handy with the bat. They will improve as the season advances. Highlanders were weak in pitching; being without the services of Foy, their crack of last season. The batting of Macdonald and the two Darlings was a feature of the game.

There will be two games next Saturday night. ing by the enthusiasm shown by specta
