Now for Handkerchiefs

From Ireland, from England and France, from Belgium, Japan, Switzerland, from Malta, Madeira, Armenia, and many other places, all our handkerchiefs were bought last December, when the market was lowest. Today we are asked to pay a very heavy advance on repeat orders.

Irish manufacturers inform us that there will be great difficulty in obtaining a supply of yarn suitable for linen handkerchiefs—most of these yarns come from Courtrai, Ghent, and Lille, and the dyes for the colored ones now cost ten times what they did. Yet we will offer all our **HANDKERCHIEFS AT LAST YEAR'S PRICES WHILE THEY LAST. START YOUR GIFT-BUYING TOMORROW.** Here are a few representative items.
