Mr. McGaw, of the Ogilvie Milling Co., Winnipeg, has lately returned from a trip through the country, looking into wheat situation. He says that the poorest samples of wheat being marketed this season, which are fit for milling, bring as high prices as the best samples sold for last year. The bulk of the damaged wheat in the country, will bring better prices than sound wheat was worth last season, and a great deal of what may be classed as frosted grain will bring very much better prices than ruled last year for No. 1 hard. Sales of frosted have been made at as high as 95 cents. Of course there is some wheat that is not fit for milling, but the quantity of this is very light.

THE Brandon Times of Thursday gives the following report of prices paid to farmers at that place: Wheat, the market opened yesterday at \$1.08. A drop of four cents from the day before yesterday, indications point to a further drop to \$1.05. Farmers who can market their wheat would do well to do so as it is likely that wheat will go down to \$1.00 for No. 1 hard. Oats are now quoted at from 22 to 24 cents per bushel with demand fair. Barley has gone up this last week to as high as 50c per bushel. The price ranges from 40 to 50 cents. Potatoes are bringing from 40 to 50 cents per bushel. Cattle stands firm at from 2½ to 2¾ per pound. Hogs in good demand at from 5 to 5½ per pound. Chickens, ducks and turkeys, run from 10 to 12c per pound dressed. Butter stands firm at from 22 to 23 cents per pound. Butter is very scarce and good first-class is almost impossible to get. Eggs are quoted from 18 to 20 cents per dozen, with the demand good.

D. Williamson, Jr., general store and lumber, Grenville, is offering to compromise.

J. R. McDonald, near Portage la Prairie, has sold all his grain which grades No. 1 frozen, to Ed. O'Reilly for 90 cents per bushel.

The Indian department at Regina is calling for tenders, up to October 31st, for 1750 sacks of flour, for the Prince Albert district.

Louis Sloss and L. L. Baker, of San Francisco, have entered a suit against the British American Packing company, of Victoria, to recover \$4,000 damages for goods supplied. The defendants refuse to pay, having a counter claim against Coleman & Co. for a similar amount.
