PAPERS FROM THE PHYSICAL LABORATORIES.

The "Papers from the Physical Laboratories," issued as a special series of University of Toronto Studies, date from the year 1900. Nos. 1-17 were published by the Physical Department in a very limited edition and are no longer in print. For the sake of a complete record the numbering of the Papers, as forming a series of University of Toronto Studies, is made continuous with the earlier series and commences with No. 18. The earlier numbers, except those given below, are not now available either for sale or gift.
