editor of the Journal already quoted, and with reference to those at the Ontario Experimental Farm he says: "Of this popular and very valuable breed Professor Brown has taken with him several very good specimens; two of them, in particular, are of very high merit, namely, the two-year-old bull Strathglass (2,357) and the four-year-old cow Kyma (4969), purchased from Mr. Wilken, Waterside of Forbes, Alford. Two good cows were secured at Mr. Bennett's dispersion sale at Marypark, Inveraven, and along with these goes
