### FUND FROM CHURCH SALE TO AID DOWN-TOWN WORK

Provided Carlton Street Methodist Transfer Is Authorized by Conference this Week.

In the event of the sale of Carlton Street Methodist Church to the William Davies Company, who have made an offer for the building, the money derived will be devoted to the advancement of Christian work in the downtown district.

This was the decision of the board of trustees and the quarterly board, which met in the school room of the church last evening to discuss the question of what should become of the money should the sale be sanctioned by the Toronto Conference on Thursday or Friday.

The board of trustees for some months past have been negotiating with the William Davies Company, and a short time ago received an offer from them, which they considered a very fair one, and of which they advocated acceptance. The congregation, however, disapproved, believing that the church should be held together, and that the edifice will advance in value during the next year or so.

The city council have considered the advisability of extending Victoria street thru to Carlton, and should this be done, the Carlton street Church will be situated on the corner of Carlton and Victoria streets, and the value would immediately advance, and some of the congregation believe that the sale should at least be postponed until this matter is settled.

If the sale goes thru no attempt will be made to keep the congregation together, further than that the active workers will be urged to find work in the downtown district, which the board of trustees realize will be almost as good as an account of the several churches moving north. It is to be desired that the money to be derived from the sale of the church be used for the benefit of the church.

The matter has been left in the hands of J. W. Poirer, R. N. Davis and Alfred W. Briggs to draft a resolution embodying the above decision and forward the same to the Toronto Conference, which will give final decision before Sunday of this week.

**FELL TWO STOREYS, UNHURT.**  
George Couler, 19 years, 31 Saultier street, at work upon the steel construction of a building in Victoria street, fell two storeys to the ground yesterday morning. He was taken to St. Michael's Hospital, where it was found that most of the bones of his body had been broken, but that he was otherwise unhurt. He went out later in the day.

**In Token of Gratitude.**  
WINNIPEG, June 5.—Archbishop Langevin has issued an enthusiastic call to the Diocese of St. Boniface, directing that the anthem "God Save the King" be sung in Latin at all services on coronation day. This in recognition of the leading part his majesty has taken in abolishing the clause from the coronation declaration reflecting on the Roman Catholic creed.

### ONE YEAR FOR BIGAMY

First Wife Tracked Leach Up and Located Him in Dunkirk, N.Y.

NIAGARA FALLS, Ont., June 5.—(Special).—James Leach, Toronto, but more recently of Buffalo and Dunkirk, was this noon sentenced by Magistrate Fraser to one year in the Central Prison, on charges of bigamy and perjury. Leach came here last November, met Miss Mary Warren, daughter of Thomas Warren of Victoria-avenue, and married her on Jan. 20. They remained here a short time and then went to Buffalo. When Leach left Toronto he left behind a wife. She learned of his second marriage here, followed him from place to place, and located him in Dunkirk. He was arrested and brought back to Canada. He pleaded guilty.

**WANT MORE PAY.**

**Another Intake Break.**  
This Time It's East Toronto's—Temporary Main Is Laid.

Of the discovery of intake breaks there is no end. The latest has been located in the old East Toronto intake pipe, about 15 feet from the outer end. The East Toronto pumping outfit has been in use for the last week, owing to the 16-inch main over the Don at Queen street having been disconnected. The old intake is only a 12-inch pipe and had been out of use for some months by order of the medical health officer. The break, which is in 15 feet of pipe, will probably be repaired with a couple of half sleeves. If this be found impossible, the short end will be removed and the intake replaced further in and at the end of the longer section.

Meanwhile a temporary 12-inch main has been laid across the Don, making three pipes of this size now used to supply East Toronto with water.

Special despatch is also being made with the chlorination outfit wherewith to treat such water as is taken in thru the old intake pipe.

Meanwhile boil the water.

**IMPROVE UNIVERSITY AVE.**  
The plans for the improvement of University-avenue provide for a single roadway up the west side. On the east side the roadway is to be filled in, sodded and planted with trees and shrubs.

This work will be undertaken partly as a local improvement, and partly as a service to the city, which is expected to pay 40 per cent. of the costs. The city will assume the other 60 per cent.

**WILL OPEN ST. MARGARETS.**  
The Lord Bishop of Toronto will open the new Church of St. Margaret's at 8 o'clock to-morrow evening. This church is the latest edition to the Anglican churches of the city, and has been completed at a large cost. Special music will be rendered at the dedication service to-morrow evening.

**Ordination at St. Alban's.**  
The Lord Bishop of Toronto will ordain a service in St. Alban's Cathedral at 8 o'clock, this evening, when three deaconesses will be received and set apart for special work in the Anglican Church.

### SHORT CUT THRU CEMETERY

Proposal is Intended to Accommodate Earlscourt School Pupils.

No proposal from the board of education to open a public road across Prospect cemetery has yet been received by the Toronto General Burying Grounds trustees. The idea is to accommodate children attending the Earlscourt School on Dufferin-street. At present the pupils living west of the cemetery are put to considerable inconvenience in going to school. They have to go south to St. Clair-avenue and north again to the school. "Even one road would be too many," he said, "and I can't see how the cemetery at present inconveniences many, for there are few residents living on the other side."

The legislature would have to decide the matter in case of a deadlock between the board of education and the burial trustees.

**Pigeon Races 200 Miles.**  
The Maple Leaf Homing Pigeon Association 200-mile race, from Inlay City to Toronto, on Saturday, proved a disastrous affair. Titus of Inlay City at 8:45 a.m., Toronto time. **Western Horse Notes.**  
The string of A. C. Lewis of Port Arthur, now in training in Winthrop, includes Minnie W. (2134), Bob Manager, Charlie Simon (2234), and Hal Reflect. The latter is entered in the 210 race. Hal B. Jr., 2104, is being worked at Brandon for the meet in Winnipeg. Darkey Hal, 2093, who is owned by John Schwartz of Winnipeg, Ont., and is entered in the free-for-all, will arrive next week.

They are having real wrestling at the festival sports in London, with professional participants. Almond Bux, of the Indian, had an easy victory over Maurice De Ritz, the Swiss, on May 25. Bux threw his opponent in 1 min. 6 secs. in the first bout, and in 3 mins. 19 secs. in the second bout, thus fulfilling the conditions of the match by winning two out of three pin falls. Bux is described as a marvel on the mat. Is there a man in England or anywhere else who can stand up against Bux in a straight match with any chance of success? Sporting Life is convinced there is not and mentions Hackenschmidt and Gotch are engaged to meet.

The 100 caused one critic to moralize: "Wrestling is a sport due to the liking of the British public just now. They have become tired of obvious 'fakes', but last night's affair at the Festival of the Empire should do much to bring the pastime again into popular favor. This at least was a straight match; it compelled a very fair attendance, but it is even now doubtful whether wrestling will come back to the position it occupied a few years ago. It takes a good deal to drive a spic into people's minds, but more matches of last night's calibre should be welcomed. Bux was the cruelest thing seen for a long time, and he had his opponent in an impossible position in less than a minute. In three minutes knockout records the show was all over. Bux was an absurdly easy winner, but this affair only served to demonstrate what a quick affair a real wrestling match can be.

**Stars and Stripes Barred.**  
The provincial authorities have promulgated new rules and regulations for Algonquin Park, one of which is as follows: "If any flag is at any time flown or displayed in the park it shall be the British flag."

American tourists, who of late years have become increasingly flamboyant in their display of the Stars and Stripes, will in future have to keep their flags more under cover when on Canadian soil.

**President Forsyth's Position.**  
Sporting Editor World: Several players have inquired from me as to the standing of certain lacrosse clubs, but more particularly that representing the Toronto Rowing Club, who will play the Crescent Lacrosse Club of New York, after that club has played a game with the Young Torontonians of this city, or in a game in which any Young Toronto players participate.

While I do not wish to enter into any newspaper controversy regarding lacrosse matters with the evening paper which persistently misrepresents the situation, I feel bound to state that the increase in public should be in possession of the facts.

In the first place, the C.L.A. has absolutely no control over the Varsity Lacrosse Club or the Crescent Club, and, as this club does not charge any admission to its games, it is quite in order for any club in the C.L.A. to play them a practice or exhibition game, without in any way jeopardizing their standing in our association.

According to our constitution, certain clubs comprising the O.L.A. are members of our association at this time, and if these clubs participate in any game with the Young Torontonians I shall have no hesitation in expelling them.

J. K. Forsyth,  
President C.L.A.
