It's An Ill Wind That Blows Nobody Good

Owing to the cold backward season manufacturers have found it difficult to dispose of their stocks as readily as in former years, and we were fortunate in getting about five hundred men's and young men's suits at a rate on the dollar that will make interesting prices for our many customers who have delayed buying their new suits. We have stored the lines out into the following group of prices—\$8.50, \$10.00, \$12.00, \$15.00, \$18.00, \$20.00, \$22.00 and \$25.00, and we pledge you our word that at every price you will get value over and above the regular lines at these figures by a big percentage.

There are all kinds of fabrics in the assortment—Tweeds, Worsteds, Homespuns, Flannels, Serges and Cassimeres. We have arranged a big display in our Yonge and Adelaide St. Windows and as the lines are depleted will show you new patterns daily.

Men's Trousers

We secured over a thousand pairs of men's trousers with the same liberal discount and they are on sale at the same time as the suits. Prices will range from \$1.50, \$2.00, \$2.50 and up to \$8.50. Please remember that this is an all-clothing store and brimful of good clothes suggestions. Any one of our experts will take care of you and see that you get what's best suited to your needs.

Store open till 10 p.m. Saturday Night.

The Toronto Railway Co. admits its liability in the case of Ethel May Eldred, who was injured by being thrown from a car to the pavement at the corner of Draper and Front-streets on the 19th of last April. The only point now to settle is what damages are to be given the girl. Her father, J. W. Eldred, is suing the company for \$3000. Judge Winchester has been appointed arbitrator. The case was to have been heard yesterday, but was adjourned for one week as the girl's physician was ill and unable to be present to give evidence.

Trying Time On the Kidneys

No wonder there is so much backache in the spring, so much fatigue and lassitude from poison-laden systems. The accumulated winter poisons must be swept from the body. The kidneys make every effort to purify the blood, but the changing temperature of spring plays havoc with them. Congestion follows, the kidneys fail in their work and there are backache, headache, tired feeling and too often serious developments. You can help the kidneys wonderfully by using Dr. Chase's Kidney-Liver Pills. In a few hours the backache will disappear and a little patient treatment will restore the activity of kidneys, liver and bowels and thoroughly purify the blood. No medicine is so satisfactory as a means of removing the cause of chronic and acute indigestion, constipation and kidney and liver derangement.

Get Rid of your Two Tire Troubles

Rim-Cutting Overloading

43% of tire trouble is due to Rim-Cutting.

A careful inquiry among thousands of motorists shows that nearly one in four old-style tires are ruined by rim-cutting. The reason is that the hook-shaped ring which holds them in place cuts into the fabric of the tire.

No-Rim-Cut Tires are built on a new idea. The round surface of the side ring comes next to the tire. 800,000 No-Rim-Cut Tires have been sold and not one has been wrecked by rim-cutting.

AND they are made 10% oversize—have 10% more carrying capacity than the ordinary tires—enough to provide for heavy extras and overloading. That gives them 25% more mileage with the average car.

BOOKIE SUES RACETRACK MEN

J. Scully Alleges That Presidents of Racing Associations Conspired to Exclude Him From Tracks. J. Scully, a bookmaker, is suing the racing associations, claiming that on Aug. 12, Madigan, Hendrie and Monk, the presidents of the racing associations in Canada, agreed among themselves to exclude him from every track in Canada over which the Canadian Racing Association holds jurisdiction. He went to the Hamilton Jockey Club meet, and paid the ordinary entrance fee of \$1.50, but was put out and given back his money. He alleges the whole procedure was a conspiracy, was irregular and that he was not given a fair hearing. Besides damages for alleged assault at the Hamilton track, he wants a court order to cancel his banishment from race tracks.
