

## LIMIT OF ISLAND ROOMS

Leases in Future Will Stipulate That No Building May Contain More Than Ten Rooms—Special Meeting of Council to Prepare Bylaws to Be Voted On.

The joint report of Assessment Commissioner Forman and Parks Commissioner Chambers, received a deal of attention from the board of control yesterday. The former had been requested to report new restrictions and conditions to be inserted in future island leases. In response to the request, they state that leaseholders have not complied with the requirements as stated in the agreement. Some have erected large buildings, which have proved detrimental to the surrounding property. Under these circumstances, it would be necessary to restrict the buildings, so that they will not be less than \$500 in value, and to contain no more than ten rooms.

Much trouble may be caused by the assessment commissioner should he be asked to exert the authority placed in his hands by the clause which reads: "We also recommend that such of the conditions as are applicable be inserted in any, by consent of the city, of the existing leases." There are properties erected on the island, which consist of 80 and more rooms, and where they are not located on the lake shore, the commissioner may have authority to insert in the leases held by the owners of these large rooming houses, that they must either forego their leases or reconstruct their structures so that they contain not more than ten rooms.

The mayor has been acquainted of grievances which exist on the island, on account of the city permitting such large houses to be erected, with subsequent loss to the neighboring property holders, and he is of the opinion that hotels or rooming houses should be confined to the lakefront only.

A special meeting of council will be held next Monday week, Nov. 17, for the purpose of finally formulating the bylaws to be submitted to the people on Jan. 1 next.

C. S. Boon will be allowed to build his garage on the Rosedale ravine slope, near Highway street, if the board's recommendation is accepted by council.

The case of Toronto versus the Toronto Electric Light Company was adjourned until Nov. 14, which will give the litigants an opportunity to ask for a mandamus in the higher court.

The hydro-electric railway conference will be held next Thursday. The members of council are not anxious to take up the subject of organization proposal until they are possessed of more information. Some are in favor of additional members for the police commission, but the mayor is not, the former opposing their election by council. The board of control also wants the censor of plays appointed by the police commissioners.

**SIR JAMES WHITNEY TO PRESIDE AT BARNARD OPENING MEETING**

The opening musical service announced for tomorrow (Sunday) evening in Massey Hall promises to be an interesting function. The premier (Sir James Whitney) will preside and the Rev. W. J. Mayers will deliver an address on "Dr. Barnardo and His Great Life-Work for the Children." The Barnardo boys will lead the singing of their hand-held hymns and some sacred selections. This meeting will be followed by others on Monday and Tuesday, at which Sir J. M. Giblin (lieutenant-governor) and Mr. N. W. Rowell, K.C., M.L.A., will be the presidents. The boys are believed to be well trained in their musical program something out of the ordinary.

The Barnardo work has been going before the public, but this is the first opportunity for many years that has been given for hearing the full and romantic story of the great philanthropist and what he did for Canada and the old country. The more the additional attraction of moving pictures, should be crowded.

**TO MAKE PUNISHMENT FIT THE CRIME.**

KINGSTON, Nov. 8.—(Special.)—If Reeve Britton, Gananoque, has his way all tramps seeking shelter at the police station will be required to take a bath and get generally cleaned up. The suggestion will likely be acted upon.

## How Nature Cures Constipation

And Why Drugs Are Being Used Less and Less for That Purpose.

The custom of Internal Bathing for keeping the intestines pure, clean and free from poisonous matter—curing constipation, biliousness and the more serious diseases which they bring on—has become so universally popular and so scientifically correct in its application as to merit the most serious consideration.

Drugs for this purpose have proven that their doses must be constantly increased to be effective, that they force one taken, must be continued.

On the contrary, the scientifically constructed Internal Bath gently cleanses Nature, but is infinitely more thorough in its cleanliness than any drug no matter what its nature.

The J. B. L. Caudine is now being used and praised by thousands of patients, is now being prescribed by the Owl Drug Stores in Toronto, 170 Queen Street West, and explained to: 170 Queen Street West, 170 Queen Street West, 170 Queen Street West.

## BOY NEED NOT SALUTE FLAG

Leorio Temple, Who Refused to Swear Allegiance, Allowed to Return to School.

NEWARK, N.J., Nov. 8.—(Can. Press.)—J. B. Betts, assistant state commissioner of education, upheld today the refusal of Leorio Temple, formerly a pupil at Cedar Grove public school, to swear allegiance to the American flag and ordered that young Temple be received back in the school from which he was recently expelled.

Young Temple said he was acting under his father's instructions in refusing to swear allegiance to the flag. The boy's father, Frederick Temple, is a resident of St. John, N.B., and for some years was manager of an insurance company in Montreal. He was at the same time an officer in an artillery branch of the Canadian militia.

The salute to the flag and the pledge at the school assemblies are not mandatory by law," the assistant commissioner said, "therefore, the boy breaks no law. Of course, the board of education of Cedar Grove has the right to pass rules for its school. But such rules must not infringe upon anyone's rights. The boy's citizenship must follow his parents until he is of age to choose for himself.

"It is within the boy's rights to refuse to pledge allegiance to any other flag or government but his own."

**DIED WHILE PRAYING**

John Hanrahan Expired Suddenly in St. Basil's Church.

While attending 7 o'clock mass in St. Basil's Church yesterday, John Hanrahan, 31 Wellesley street, a well-known resident of the city, and a prominent member of Cowan avenue Catholic Church, expired suddenly from heart trouble. Father Kelly and his assistants had just filed onto the altar and were kneeling before the sacrament when Mr. Hanrahan, who was kneeling and saying prayers, was heard to utter three quick gasps. Shortly afterwards he expired, extremeunction having been administered by Father Kelly and Hayes.

Mr. Hanrahan was born in Ireland 44 years ago, but had been in Canada in the contracting business in Toronto from the time he was a young man. He died at the age of 68. He was a widower for 23 years, and is survived by his married daughter, Mrs. W. T. Kernahan, a son Charles of Chicago, and a sister, Ellen of Toronto.

**GALT MAY ESTABLISH MAUSOLEUM.**

GALT, Nov. 8.—(Special.)—At the request of the International Mausoleum Co., a party of twelve representatives of Galt ladies are in Toronto today and will inspect the Toronto Mausoleum, on the desirability of the structure the company proposes to erect in Mount View Cemetery in this town. The proposition was made several months ago, but the interest in promoting it does not seem to be very pronounced.

**EXPRESS FACILITIES INADEQUATE.**

GALT, Nov. 8.—(Special.)—Failure of express trains between Toronto and Detroit to make schedule time lately has resulted in an order from headquarters to make no longer than the regulation stop at any station, no matter how important, unless the train is so heavily loaded that it is unable to handle within the scheduled time.

Public feeling is that the railway company, which controls the Dominion Express Company, should run a special express to accommodate the fast growing business, as otherwise inconvenience and loss will be occasioned all along the line.

**MORE NETS SEIZED.**

BELLEVEILLE, Nov. 8.—(Special.)—Today the provincial government patrol boat Navarcho arrived here having on board a thousand yards of nets which were found in the Bay of Quinte near Glen Island. These nets are of a small mesh variety, the use of which is strictly contrary to law. No young bass, pickerel or other fish have a chance to escape should they be caught in the net.

Every effort is being made to stop illegal fishing in these waters.

**Mariners Hard to Get.**

KINGSTON, Nov. 8.—(Special.)—The securing of fish is giving lake vessels great trouble. The steamer Prince Rupert was held here fifteen hours just because the captain could not get a crew. Captains say they never experienced such hard luck.

**Escaped from Fire**

Women Had Exciting Time in Early Morning Blaze.

Cool aerobic work saved the lives of several women early yesterday morning when fire broke out in the home of Fred Gaister, 140 Beech avenue.

It was pitch dark when Miss Louchee, sister-in-law of Mr. Gaister, discovered the fire at 2 o'clock. All way of escape from the upstairs was cut off by that time, but she kept her head and soon had succeeded in rousing all the other sleepers, one of whom was a young American couple, and the other two young girls by the name of Hyllie. The thought of the verandah occurred to Miss Louchee and then all four made a dash for it. Windows had to be raised and climbing feats performed, but all the girls were equal to the occasion, and in no time they were away out on the cold dark verandah—safe.

The fire brigade arrived shortly afterwards and managed to save the house, but not the valuable piano of the Hyllie girls, which they had brought with them from Scotland. Their loss will be \$500, and Mr. Gaister's \$1000.

Mr. Gaister, with his wife and small child, was sleeping on the ground floor and easily escaped.

The interest of the subject and Mr. Blake's well-known capacity for putting his thoughts into pointed phraseology are expected to assure him a large audience.

## RULES GOVERNING THE CONTEST

The Toronto World Proverb Contest is a test of skill and diligence, designed to encourage thought and research on the part of the reader and provide a pleasant mental diversion for everyone.

Every day, for a period of seventy-five (75) days, there will appear in the Toronto Daily and Sunday World, an illustration, cartoon or other representation of a commonly used and well-known English proverb.

The Toronto Daily World will award PRIZES AGGREGATING OVER \$5000 IN VALUE to readers of the Daily and Sunday World who send in the correct or nearest correct answers to the entire series of illustrations. The first proverb picture was published in The Daily World, Thursday, Oct. 3. The last will be published on Dec. 16.

The correct answers, to serve as a basis of awards, are being selected according to their common use by the Contest Manager and three representatives of The Daily and Sunday World, and will shortly be placed under seal in a Safety Deposit Vault.

This list of correct answers will remain under seal until called for by the Judges, whose names will be announced in due course, and who will have full control of the examination of the answers and awarding of the prizes.

The correct answers are included in The Toronto World's Book of English Proverbs, which is published as a guide and reference for contestants' use in the contest.

To compete for the prizes, contestants need only to supply the correct answer represented by the illustration that will appear daily, and send in their answers, at the close of the contest, according to the rules. The person sending in the correct or nearest correct answer to the entire series of seventy-five (75) illustrations will be awarded the first prize. The person sending in the second nearest correct answer will receive the second prize, etc., etc. Entry may be made at any time before the contest is entirely closed. Rules for contestants' use in the contest.

8. The prizes will be awarded to readers sending in the correct or nearest correct answer to the entire series of answers to the Toronto Daily and Sunday World Proverb Illustrations.

9. In the event of a tie between two or more persons, the correct list of answers with the correct answer will be selected. The winner will be selected by drawing lots. The same number of coupons will be drawn as the number of prizes to be awarded. The prize or prizes thus tied for will be equally divided among those tying.

10. In making the awards, the judging committee, whose names will be announced in due course, will take into account the similarity and exact wording of the proverb answers as selected by the Contest Manager and three representatives of the Daily and Sunday World, and as contained in The Toronto World's Book of English Proverbs; spelling, punctuation, and the construction of the proverb, graded.
