

labor the ultimate right to strike, but I am opposed to the sympathetic strike on public services.

Ultimatums All Round.

Rapid fire action, dealing with broad and vital phases of the general strike of Winnipeg labor tomorrow they promised for tomorrow. With union leaders, employers' representatives and conciliatory forces tentatively unable to agree upon important details, two big issues affecting settling, announcements came from three prominent sources that the next 24 hours may make history for Winnipeg and possibly for the entire Dominion.

Senator Gideon Robertson, federal minister of labor, and Arthur Meighen, minister of the interior, and acting minister of justice, have formally announced that unless the members of the Winnipeg Postal Workers' Union return to work by tomorrow they will be dismissed from the federal service. Volunteer workers have been sorting great masses of mail which have been piled up in Winnipeg since the general strike began on May 15. The volunteers went to work last night. Telephone operators on strike are considering an exactly similar ultimatum served upon them by Premier T. C. Norris of Manitoba. Winnipeg postal clerks and railway mail clerks will meet at 2:30 p.m. tomorrow morning to decide upon their attitude.

Complaints for Ministers.

"I am rather surprised in view of the fact that the burden of maintaining law and order in Winnipeg since the government was thrown upon me, solely because of the uneasiness of the federal authorities to co-operate in combating any challenge to centrally issued authority that the ministers for whose presence I wired Ottawa, did not see fit until two days after their arrival to apprise me officially or unofficially that they were here."

The only visible development in the strike situation as it affects the railway brotherhoods or other branches of the Winnipeg railway service, has been the walkout of a number of sleeping car and dining car porters. Their places have been filled, railroad executives announced. A high official of the Canadian Pacific Railway announced today that the company has not been informed by any official of the brotherhoods of the possibility of a walkout of Winnipeg service. Brotherhood representatives who have been here for several days did not issue a statement today. It was stated by brotherhood leaders on the committee of eight attempting to settle the strike that "the running trades members are undoubtedly excited," but that they were far more anxious to bring about an amicable settlement of the Winnipeg trouble than they were to add fuel to the flames of disagreement. Settlement of the strike still seemingly rests upon the details of a collective bargaining agreement and the willingness of the union forces to call off the sympathetic strike prior to final action by the employers on the collective bargaining issue. Union leaders have declared that they will not take any action toward settlement which will include a formal or an implied admission that they violated any law in the prosecution of their strike aims.

Phonics Must Work

Winnipeg, May 24.—A notice issued by George A. Watson, commissioner of the Manitoba Government Telephone, ordered all telephone employees on strike to resume work by noon on Monday next. Failure to do so means dismissal from the service. The order states the central strike committee last night called out the long distance operators at various telephone exchanges in country districts.

Settlement of the general strike in Winnipeg today rested equally upon the employers who are insisting upon the sympathetic walk-out would have on union councils in other Dominion cities, all issues seem to have been tentatively agreed upon. The strike demand that the strike leaders must assume full responsibility for the general strike and restore local conditions to normal before an agreement with the employers can be concluded.

Various Actions of the Central Strike Committee Have Been Censured

by the federal, provincial and municipal governments. The Winnipeg press, the Winnipeg citizens' committee and Mayor Charles F. Gray.

Collective Bargaining.

Union men have been told by members of the general conciliation conference committee that industrial employers will recognize collective bargaining, also perhaps not along the exact lines laid down by the executive leaders of the union forces. Both sides "laid their cards on the table" at the committee conference which began last night and continued until early today, and which was attended by a representative of the Canadian Press—the collective bargaining demand of the unions was unanimously approved in principle by the committee members who represent every phase of civic and industrial life in Winnipeg.

Collective Bargaining Involves Winnipeg's Three Large Industrial Plants

the Dominion Bridge Company, the Vulcan Iron Works, and the Manitoba Bridge and Iron Works.

Employees of the seven companies are members of seven labor crafts which form the Metal Workers' Council.

As outlined last night, committee members representing the employers of Winnipeg generally indicated that the iron masters were ready to agree upon a plan of collective bargaining in which issues at dispute would be considered at conference by employers' representatives and a delegation representing the craft of several crafts involved in the controversy and that a direct agreement reached by such a conference would be binding.

The union committees countered with their demands that any grievance of any of the seven crafts must be ironed out by a committee from the Metal Workers' Council and that the council itself must finally approve any agreement. Union officials admitted that the men on the committee might not be employees of the plants where controversy developed but took the position that the general committee from the council could simultaneously consider several grievances and it made seven separate committees unnecessary, committee members opposing this viewpoint indicated rather pointedly that they regarded the plan in the light of giving a few union leaders complete power in directing the affairs of the various locals.

TORONTO ISLAND DELIVERY.

Delivery of The Morning World at Hanlan's Island, Centre Island, and Ward's Island will resume on May 31. An early and efficient service is assured. Orders telephoned to Main 5306 will receive prompt attention.

OVER FIVE HUNDRED LOTS SOLD BY AUCTION

Lawrence Park Sale Realizes \$310,000 Between Thursday and Saturday.

To sell 531 lots, 26,800 feet of vacant frontage for \$310,000, between Thursday noon and Saturday at 2 o'clock is surely some real estate stunt. That was the net result of the Lawrence Park estate auction. The average price per foot frontage was \$13. Lawrence Park, is three and a half miles up Yonge street from Bloor street, and runs back a mile and a quarter.

The east city limit cuts the property along the centre. Outside the city the prices obtained ran from \$350 to \$25, and the average was about \$8. Inside the city the average price was about twice the assessed value.

With this fact the residents of North Toronto will go after the court of revision as with a club. Until the district gets something like decent transportation facilities the property owners are going to fight against the present high assessment. The Lawrence Park auction, therefore, is likely to cost the city a considerable sum in taxes.

The highest prices obtained at the auction were for two lots, Nos. 82 and 84 St. Edmund's Drive. Each has a curved frontage with a rear width of 100 feet, and they sold for \$3,650 and \$3,850 respectively.

Quite a number of buyers were builders and it is expected by the Sterling Trust officials that there will be a great deal of building this summer, as the low cost of the land will help to offset the high cost of building material.

Already there has been quite a lot of reselling at a profit over auction prices. A lot on Yonge street at the corner of Glen Grove which brought \$75 has been turned over at \$100 a foot. Another Yonge street lot bought for \$45 a foot was later sold at \$55 and still again at \$65.

TEN THOUSAND BAIL FOR N. S. GOTSHALL

Alleged Theft of \$13,000, Leads to Two Arrests.

Two employees of the Grace Motors, Limited, 255 East Queen street, have been arrested by Detectives Mitchell and Wickert, in connection with the alleged disappearance of money belonging to the firm, was reported Saturday afternoon, charged with theft of \$13,000. Harry S. T. Wooster, 48 Abbott avenue, bookkeeper, was taken into custody Sunday afternoon on a charge of conspiracy by the same detectives.

N. B. Stark, general manager of the company, laid the information which led to the arrests. The police say that the missing money covers an extended period of about \$10,000 which was ordered for by the Crown for the release of Gotshall, while bail of \$2000 was accepted for the freedom from custody of Wooster until the preliminary hearing of the case in police court this morning.

SIR ROBERT BORDEN RETURNS TO CANADA

(Continued From Page 1).

Besides a considerable passenger list the Aquitania brought to Halifax five thousand Canadian troops all in the best of health and delighted at the prospect of seeing Canada once more. "I had the privilege of addressing the on Friday and I never spoke to a more intent and inspiring audience. "Under the greatly mistaken, steady spirit, the splendid intelligence, and the high sense of duty, which have placed our troops in the forefront of the armies of the world will make them a steady and determining influence in shaping the future destiny of our country."

With great regret, I found myself unable to accept the very kind offer of a public reception tendered to me by the mayor on behalf of the citizens of the city and by the president of the board of trade on behalf of the citizens' committee.

During our four months in Paris, Mr. Sifton and I have been constantly and actively engaged in the work of the peace conference, in which Mr. Sifton has taken a very important part.

There was a very strong impression, both in Paris and in London, that notwithstanding a possible refusal in the first instance the present or another German government will eventually accept the terms of peace practically as they have been presented.

THE SITUATION IN EUROPE

The Associated Press issues the following: Thursday of the present week is the time limit set for the Germans to make known to the representatives of the allied and associated powers at Versailles what Germany purposes to do with regard to accepting or rejecting the terms of peace formulated by the conference.

Berlin reports still persist that the German cabinet and the peace delegates at Versailles are one in their intention to request modifications on various clauses of the treaty, the provisions of which it is declared Germany will be unable to meet without enslaving herself for a lifetime.

Tuesday is spoken of in a Berlin despatch as the day on which Germany's answer will be ready. The latest note of the Germans—their thirteenth—digs up again the question

SONS OF ENGLAND MARCH TO CHURCH

Members Parade With Swing Reminiscent of Days in France.

More than 3000 members of the Sons of England Benevolent Society turned out at Queen's Park yesterday for the annual church parade of the society to St. Paul's Church. The parade was headed by the band of the Canadian Garrison Regiment, and many returned members of the society swung along in martial array, reminiscent of the marching pace of the Canadian infantry regiments.

The church service took the form of a memorial for the 845 members of the society who had been killed or died of wounds while on active service in the army or navy. It was announced that 1883 members of the society had taken service with the King's forces since the outbreak of the war, while the association itself had paid over \$100,000 in claims for the protection of the dependents of those who had paid the supreme sacrifice.

At the church were present many representatives of the other old country benevolent organizations which are at present flourishing in the city. Among those represented were the St. George's Society, Sir Frederick Strickland, John W. Gamble-Boyd, the Daughters and Males of England, and Irish Protestant Benevolent Society.

The City Council represented by Controller W. D. Robbins and Mayor Church. The supreme lodge officers who were in the parade were: Wm. D. Robbins, Proctor of Toronto, Sup. Vice-Pres. J. H. Carter of St. John, N.B., Supreme Treasurer C. Mesch of Toronto, Secretary John W. Carter, who is over eighty years old and marched with the parade.

The sermon was preached by the Hon. Dr. H. J. Cody, who spoke of the glorious part taken in the war by Englishmen, whether at home or in the colonies of the motherland. Dr. Cody also paid a tribute to the work of the British army and navy for their splendid war service and self-denial.

"Dead March in Sull" and "Last Post" were sounded in honor of those who had fallen, and the appropriate hymns and prayers were rendered.

HOLSTEINS MADE ENTRIES

Holsteins were in greatest number of the breed of cattle shown, the only class made entries. Prizes were equally divided by R. W. E. Burnaby and R. S. Hicks.

Swine were in better numbers than formerly, the sheep were somewhat lacking. The quality of the latter was, however, above the usual standard.

The women of the fair provided very acceptable meals for all who wished to take advantage of good cooking. Had it not been for the bad weather, the fair would have been an outstanding success.

EAST TORONTO OPENED NEW DIAMOND

East End Y.M.C.A. held a double-header game of baseball on their new diamond on Saturday, when the Toronto Y.M.C.A. Junior league teams Athletic played Eureka, and East Toronto played Hope.

Eureka won 5 to 7, and Hope won 15 to 6. There was a large attendance.

The first of a series of concerts under the auspices of the East End Y. M. C. A. Junior baseball team was held in the building, Main street, recently occupied by the chair. The following artists contributed to an excellent program: Mrs. O'Donnell, J. Murphy, Mrs. Dean, J. Browning, W. Snell, J. Moore and J. Taylor. The proceeds will be used to furnish equipment. It is intended to hold regular concerts and socials during the season.

FURNITURE VAN DITCHED

Owing to the snapping of the front axle on a Ward and Company, Hamilton, van loaded with furniture, the contents were thrown into the street near stop 24, New York, on Saturday afternoon, May 24, about 3:30 p.m. The van was leaving Toronto for Hamilton.

BEACHES

The parks, beaches and amusement centres in the east end were well patronized during the holidays, and the crowds who attended Scarborough Beach constituted a record. Special preparations had been made for the 4th Highlanders gave an afternoon and evening concert on Saturday and Sunday. Large crowds visited the beach and the 4th Highlanders gave an afternoon and evening concert on Saturday and Sunday.

MIMICO CIVIC METHODS STRANGE

The methods of the civic authorities and the works department in particular are very peculiar, said a Mimico business man to The World yesterday who pointed out that they started to fix up the roadway between stop number 5 and the Humbert bridge on the highway exactly three days before Empire Day, May 24. First the traffic is enormous, and in consequence a narrow strip of roadway was left for wheeled traffic which was compelled to pass in single file, regulated by two traffic policemen.

"This work could have been either completed or left over for the holiday," he said.

TODMORDEN TRUSTEE'S OPINION.

According to the statement of S. D. Durham, school trustee, Philip Pedlar of Todmorden has established a fine reputation for himself as school attendance officer for the township of York. His efficient, tactful and business-like attendance to his duties already makes a marked difference in the register of pupils in the schools. This movement to have Mr. Pedlar removed because he, in pursuit of his duties, fears neither friend nor foe, should, says Mr. Durham, be closely watched by all right-thinking citizens.

YORK COUNTY AND SUBURBS

RICHMOND HILL RICHMOND SOCIETY SEVENTEENTH FAIR

In Spite of Rain Out-turn and Classes Made Signal Success.

The seventeenth annual fair of the Richmond Hill Agricultural Society was held on Saturday at the fair grounds. In spite of the inclement weather about 5000 people attended. A football game was started in the morning, but had to be postponed, and all other sports were cancelled owing to the rain.

A large number of exhibits of live stock, dairy products, art work, etc., were on hand, and judging was completed in all classes. Mrs. A. Hurst, Hamilton; Miss McCutcheon and Miss Edna McNair were the most successful exhibitors in the fine arts department, while prizes for dairy products were evenly divided among a large number of contestants.

Live stock was good in all departments, but the horses proved the main attraction. The light class was particularly well filled. One of the most important exhibits in this class, namely, that for ladies driving, single, for which the Eckardt silverware was donated, was won by Miss Muriel Seaton of Toronto. Mrs. D. J. Wilson, Unionville a many-time winner at that event, took first prize in single pony in harness division. In the heavy horse class the principal winner was Theo. Leggett of Toronto, who was awarded the sweepstakes on his aged stallion, which was first in a class of three.

There was a creditable showing of show-bred cattle by Mr. E. J. Boynton and Geo. Vandenberg, Richmond Hill, as principal exhibitors.

Holsteins were in greatest number of the breed of cattle shown, the only class made entries. Prizes were equally divided by R. W. E. Burnaby and R. S. Hicks.

Swine were in better numbers than formerly, the sheep were somewhat lacking. The quality of the latter was, however, above the usual standard.

The women of the fair provided very acceptable meals for all who wished to take advantage of good cooking. Had it not been for the bad weather, the fair would have been an outstanding success.

WORK IN "DEVIL'S DIP"

The work of filling in the Devil's Dip on East End street has not yet been commenced by the works department altho an early start this year was expected by the residents of this section on this important undertaking.

Much dissatisfaction is expressed by the business men and ratepayers generally and the matter will be brought to the attention of the local ratepayers' association.

WYCHWOOD

Dr. Albert Watson, author of "The Twentieth Plane," spoke in the Wychwood Theatre on Sunday afternoon under the auspices of the Theosophical Society of Toronto. Dr. Watson spoke in defence of his book, and said he was not a spiritualist, but a Methodist, and claimed that spiritualism was entitled to as much publicity in the press as anything else. He also declared that if there was one thing that "The Twentieth Plane" taught it was a put in of business materialism. He supported theosophy insofar as it related to the brotherhood of man, which, he said, stands as the representative of faith, vision and freedom of thought. Mrs. Stevenson was the soloist.

WOMAN FIRED WITH GAS TURNED ON

Mrs. Valentine's Head Rested on Fully Opened Burner.

With gas escaping from open jets of a small gas stove, in her home at 224 Lipson street, Saturday night, Mrs. Elizabeth Valentine, aged 40 years, was found sitting by the stove dead. Mrs. Valentine had leaned forward on the stove and when her head body was found her head was resting on one of the burners from which the gas was pouring out. Mrs. Valentine had been in ill-health for some length of time and was going under treatment for nervous trouble under the care of Dr. Tuck, Scarborough and Thebes.

On Saturday evening, the police say, Mrs. Valentine seemed to be in improved condition and her husband went out leaving her alone in the house. The police say that the woman placed three chairs directly in front of the gas stove and when found was sitting on the central chair.

Alexander Hendry, living in the same house, returned at 11:30 Saturday night on entering the house at 224 Lipson street, he found Mrs. Valentine in the kitchen and found Mrs. Valentine. He carried her into an adjoining room where it was found that she had been dead for several hours.

The chief coroner was notified and in view of the clear facts surrounding the death, he decided the holding of an inquest unnecessary and the body was released Sunday morning for burial.
