Along With Male Companion is Arrested in Chicago-Looted New York Hotel.

Chicago, Oct. 5 .- Henry Hoffman and Mrs. Henry Schiller, each of whom are said to have a number of aliases, are seld here under arrest on a charge of muggling. It is alleged that they were in at least two large burglaries in New York City.

Government officials say the prisoners have confessed to having robbed the home in New York of Isaac F. Lloyd, vice-president of the Mutual Life Insurance Co. of \$30,000 in diamonds and silverware, much of which has been recovered and identified. Mrs. Schiller was a servant in the Lloyd house.

The prisoners are also suspected of having robbed the Ansonia Hotel in New York of thousands of dollars' worth of jewelry and clothing. Hoff-man was once arrested in Boston on a charge of smuggling diamonds from Europe. Mrs. Schiller is known as an expert impersonator of men. Silk hats and various other articles of men's attire were found in her room. According to the government officials Mrs. Schiller seems willing to accept all blame, so that Hoffman may be cleared.
