

EXHIBITORS ENTRIES DUE, TO-DAY THE CLOSING DATE

Excellent Prospects for a Rarely Good Show of All Sorts of Live Stock.

Canada, more especially the Province of Ontario, has a deserved reputation for the superior quality of its horses, cattle, sheep and swine.

In cattle the Shorthorn, Jersey, Holstein, Friesian, Hereford and other breeds will be strongly represented, and the liberal premiums offered will be keenly contested.

Sheep will be a prominent feature, as the model pens and splendid accommodations while the swine exhibit will be unprecedently large.

Eight thousand live animals, including the stock exhibits, from first to last, will uphold the well-known prestige of Canada as a stock-raising country.

Grand total 8669. Besides the live stock, entries are made to-day for many of the products, fine arts, natural history, women's and children's work.
