RACING AT NEW ORLEANS.

Winter Meeting Opens on Saturday—The Inaugural Handicap.

New Orleans, Nov. 22.—A solid train of horses came in from Louisiana to-day and to-night are pretty equally divided between the fair grounds and City Park tracks. Most activity has been seen at either of the local tracks since last getaway day is now going on. The incoming horses from the northern and eastern tracks are being given stalls at both the fair grounds and City Park and are being prepared for their first gallops to-morrow morning.

After morning workouts to-day the horses that came in good condition show very little effects of the trip down from New York or Cincinnati. The incoming horses that will shine in the first few events of the race meeting are already here. Most of the horses from Louisiana are now in. Saturday was get-away day at the Kentucky track and as soon as it could be headed the horses were on their journey south. Here are some of the stars that have already arrived at the old track: Five-year-olds—Phil Breeze, King Rebo, Saint Valentine, Rusk, Lady Vassil, Orly II, Monet, Emerald, Old Stone, Columbia, Gid, Greenham, Anna, Margaret, Robin Hood, Goldsmith, Prince Silverglades, Green Crest, King Ellsworth and Little Scout.

Four-year-olds—Southern Cross, Tartan, Hambley, Cutter, Devout, Lady Henrietta, Eubank, Belle Strome, Glenzie, The Englishman, Sir Briller, Pasadena, Ivanhoe, Belindus, Envoy, Hunsbury, and others.

Weights for the Crescent City Jockey Club's Inaugural Handicap stakes to be run on Saturday are as follows: The inaugural candidates that arrived at the fair grounds to-day were Fred Burlew's Royal Breeze, C. Van Meter's Milled and Burlew & O'Neill's Rebo, Jurgler and Belmont's.

As yet no announcement has been made by the City Park Jockey Club as to their start of the winter. The new president, Judge W. W. Campbell, will be in charge. Judge W. W. Campbell and William Shelly will be among those who will fill official positions. The City Jockey Club has decided on a \$1,500 admission fee, while the City Park people have given out that the old admission of \$1.00 will be in vogue this winter. It is also understood that field books will be operated at the fair grounds to-day.

SWEET MARIE, RECORD 2.02.

Will Be Sold at Old Glory Sale Next Week—Record.

The coming Old Glory sale, which opens next Monday at Madison-square Garden, will offer for sale the record mare, 2.02, the queen of trotting racing mares. The announcement that she was for sale caused considerable surprise, as it had not been thought that her owner, William (Garland) of Los Angeles, Cal., would part with her. Two years ago, at the time she was sold to the Transylvania, at Lexington, after a record-breaking race, she was sold to her present owner, who then for sale at any price. Among those who were interested in her was C. K. G. Billings and it was said that he would have bought her for \$50,000. It was also said that one offer of \$80,000 was refused at Memphis for her.

Last year she was not really so great a mare as the previous one, Tiverton being her reputedly and other mares she has beaten in front of her. At that time those who had made the large offers for her before were probably glad that they were not accepted. But this year there are many men anxious to own her, for she has even a much greater record than ever before. During the entire season she was beaten only one heat by Westworth at Hartford. All her races have been victories and against time she has trotted in 2.02, 2.03, 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 2.10, 2.11, 2.12, 2.13, 2.14, 2.15, 2.16, 2.17, 2.18, 2.19, 2.20, 2.21, 2.22,
