best doctor in the southern part of our State) gave him up over one year ago—to die in six weeks with the quick Consumption. I then took him in hand and administered your medicine freely, made a great improvement in him; there is a good chance for him to recover his health.

**DREADFUL EFFECTS OF SCARLET FEVER
CURED BY RADWAY'S RESOLVENT.**

DR. RADWAY—Dear Sir: Enclosed you will find three postage stamps for each of your new medical publications, False and True, Irritable Uræthra, and Scrofula. My boy had the Scarlet Fever, and his body broke out full of sores, and one of his eyes closed. We used one bottle of your Resolvent; there was such a change that we got eight more bottles, and washed the sores, and put some in the eye, and when eight bottles were used he was entirely cured; that is ten years ago, and not a spot has appeared since. Our house is hardly ever without your medicines.

BOSTON, MASS., 103 Kneeland St., Feb. 23d, 1875.

Yours truly,

JAMES MENZILS.
