THE CARBON LIGHT DISPUTE SETTLED

ing Ground Legalized-The Day

terms to enter the city was brought up against the proposition to allow the improposition to make the connection at Yonge-street for freight traffic. His contention was that a most serious condition of affairs would possibly be created, and he thought that a most serious condition that under existing conditions there is no detriment to public health owther that a most serious condition that under existing conditions that a most serious condition in the council that under existing conditions there is no detriment to public health owther that a most serious condition in the council that under existing conditions the council that under existing conditions there is no detriment to public health owther that a most serious condition in the council that under existing conditions there is no detriment to public health owther that a most serious condition in the council that under existing conditions there is no detriment to public health owther that a most serious condition in the council that under existing conditions there is no detriment to public health owther in the council that under existing conditions there is no detriment to public health owther in the council that under existing conditions there is no detriment to public health owther in the council that under existing conditions there is no detriment to public health owther in the council that under existing conditions there is no detriment to public health owther in the council that under existing conditions there is no detriment to public health owther in the council that under existing conditions the council that under existing c

stood there was a feeling that the County of York had disregarded the rights of Deer Park and some other small municipalities in granting terms to the Metrofor heavy damages might come from resi- Board of Health awaits instruction as

dents around Deer Park. City Shouldn't Worry. Whether this was the case or not, was none of the city's business, was the contention of Ald. Lamb. If persons outside

The Mayor asked if the Metropolitan would undertake not to make a freight unction on Yonge-street.

"My directors would not for a moment permit me to interfere with the Metropolitan rights, and I could not divise them to do so," said President Warren of the company, who told the board that he had been working at this agreement for months, the translation against the clation against the company.

the vehicular traffic there is at present.

He opined that this was a business city, and it wanted radial railways. Those cities in the United States which have the most railway connections are the most thriving, he claimed.

He opined that this was a business city, and it wanted radial railways. Those cities the United States which have the most railway connections are the most thriving, he claimed.

Question of Mileage..

Engineer Rust reported that the cost to the city of paving the track allowance for the Toronto Rallway Company was \$22,000 a mile, and the city received a mileage of \$1600 per annum. In comparison with this the annual cost of the pavement to the city surgeding over 10 years was \$2688

to discharge sewage into the lake or any body of drinking water, even the half a million dollars more would be the cost of another system of sewage disposal.

tation was composed of Rev. Rabbi S. Jacobs, Rev. Rabbi Weintrop and Messrs. J. Cohen, Halpern, Griesman, Brody and

Gleber.

A petition which had been presented to the City Council had been sent on to the board. The petitioners are taught by their faith that their dead must be buried within grounds controlled by their own people, and that once interred it is a sacrilege to the sacrible of the period with the dead with the dead with the sacrible of the hard was the lands used. and that once interred it is a saching to disturb the body or to have the lands used for any other purposes. The ground for cemetery purposes was bought after a bylaw had been passed prohibiting any more burying grounds in the city, under a misunderstanding. It was claimed that Dr. Sheard had been seen before the purchase

Did Not See Sheard. Dr. Sheard said he did not have any recollection of any mention being made to him in 1895, as claimed, or at any other time. He read the bylaw which prohibited the burial of persons in the city other than in the burial grounds arready set apart for the purpose, unless with the con-sent of the Board of Health and the Mayor. The latter clause is illegal in the optaion of

the Civic Law Department.

Col. Paterson appeared as spokesman for the deputation, and he claimed that the

Police Want Him.

Berlin, Dec. 19.—Harry Marshall, who swindled American residents, is being sought for by the police.

Wants It Made Legal.

Col. Paterson asked that the authorities oured. I have now no backache or urinary trouble, and the tired feeling is completely one. In fact, I am well and strong."

Banquet to Mr. Reeve.

Montreal, Dec. 19.—G. B. Reeve, G.T.R., will be banqueted on Dec. 21 by the officials of the road.

side of Jones-avenue, just north of a brickyard, and there is a ravine and a farm field behind it. To the north there is another cemetery, that of the Chevra Goal Tzedek, a Hebrew congregation having a place of worship on University-street. Next

other cemetery, that of the Chevra Goal Tzedek, a Hebrew congregation having a place of worship on University-street. Next to this is an orchard. Across the road there is a solitary house.

"Give us the right mow to bury until it is necessary to stop in the interest of public health. Cancel our permit at any time you may see fit, as you have a perfect right to do. The public health will be in no way imperrilled just now," urged Mr. Paterson.

Never Mind the Taxes. As to taxes he continued that all that was asked was a permit for legal burials just now, and the matter of exemption of taxes was a secondary one, which could be arranged by the Council at a later date.

"Is that cemetery a detriment to public be arranged by the Council at a later date.
"Is that cemetery a detriment to public health, Dr. Sheard?" asked Dr. Lynd.
"No, not now," replied the Medical Health Officer.
Dr. Sheard thought the whole thing

Health Officer.
Dr. Sheard thought the whole thing was gain for discussion in the Board of Control a matter for Council to deal with, as it yesterday afternoon, Mayor Howland rought meant a change in a bylaw. Board Seemed Favorable.

he thought that a report should be made by the City Engineer. The other members of the board thought that the more traffic that are one into the commendation. "As your bylaw stands now there is not

that came into the city the more the city would benefit.

"The Engineer should certainly report where the junction should be made," said the Mayor, who continued that he undertaked. He had been advised that it was a matter the Board of Health had nothing the street of the city that can add to its premises," said Col. Paterson.

Dr. Sheard thought any advice to the Council should not be given until it was asked. He had been advised that it was a matter the Board of Health had nothing the council should not be given until it.

politan Railway Company. Perhaps a claim petitioners.

The Council will be advised that the

what it is expected to do before it makes any recommendation.

The Health Department stands out by itself in at least one way, and that is the fact that it has kept within its appropriation. Under Dr. Sheard's management there is a per belance of about \$1200 to the there is a net balance of about \$1200 to the

To Stop Gambling. It was the last meeting of the board for the year, and Chairman Dr. Lynd declared it closed before Ald. Bell could com-mence the usual congratulatory speeches. Hon. David Mills, Minister of Justice, will be in the city on Tuesday, and the

Assessment Appeals.

The appeal of the Retail Merchants' Asse upany, who took the source that are the personal ty assessment of working at this agreement for months, would drop it now if any barrier was would drop it now if any barrier was sed.

Clation against the personalty assessment of Mr. Timothy Eaton was yesterday dismissed by Judge McDougall. His Honor raised.

Aid. Lamb then spoke at length on the benefit of radial railways. He said that on Yonge-street 30 years ago there was double the vehicular traffic there is at present. Payment of leans to customers.

are helping hundreds of such to health.

Mr. John Robinson, chief of the first department, Dresden, Ont., says:

"Prior to taking these pills I had kidned according to the bylaw they were technically wrong while burying feolia and in both sides.

I had a tired feeling and never seemed to be able to get rested. However, I commenced the use of Doan's Kidney Pills, and after taking three boxes am completely and after taking three boxes am completely cured. I have now no backache or urinary

GOURLAY,

There is Nothing Like Them For Christmas Boxes

The replies to our last advertisements have been surprising. The beautiful musical character of the boxes—their elegant cases —our reasonable prices and easy terms—all these things have been factors in bringing the public to our warerooms with a rush to investigate our offers.

COME YOURSELF TO 188 YONGE ST. AND HEAR THEM.

There Is No Time to Lose-So Come at Once! There is nothing so delicious in musical sounds as the pearly, liquid, rippling tones of a MUSIC BOX. From the oldest to the youngest member of the family you hear nothing but expressions of delight. This is why it is such a favorite Christmas gift. We still have a few Kegina Boxes, which we will sacrifice on account of change of agency, and we also have some Stellas in last year's cases which we offer at Special Prices. Both varieties are operated by changeable tune sheets, which

practically give each and every box a repertoire of thousands of tunes. Remember That Even a Child Can Operate a Music Box. Cash or Credit---At Your Option.

If you can't call, please write at once, as we make a specialty of Mail Order business.

HAD TOO MANY CIRCULARS. Officers of Radiant Success and Health Circles Arrested. Ezra Glassco, C. S. and M. M. H., and

Mrs. J. Loveday, president and secretary espectively of the Radiant Business Suc-tess Circle and the Radiant Health Circle, respectively of the Radiant Business Success Circle and the Radiant Business Success Circle and the Radiant Health Circle. Were taken into custody yesterday afternoon by Inspector Archibald and Policemen Irwin and Chapman of the Morabity Department, on warrants charging them with attempting to obtain money by false pretences. Glassco was found at 15 Annother Street, and the female prisoner at 432 Canton-street. The founder, who describes himself as a spiritual teacher and healer, was treating, when the officers entered, a woman who subsequently turned up at the home of Mrs. Loveday to warn her of the arrest of the president of the circles. Glassco, who is a man apparently about 60 years of age, says that up till a few years ago, when he lost his cycsight while performing an operation, he was a playst clan, practising in the United States.

The warrants were issued as the result of complaints made at the Morality Department by persons who brought with them two pamphitets, one headed, "Radiant Business Success Circle," and the other, "Radiant Health Circle." A third gives testimonials from persons who had been under "Dr." Glassco's magnetic treatment, and two more typewritten circulars give instruction on "how to read messages thrughts of the Bonds Such figures and easy terms upon beautiful, new, high grade MORRIS PLANOS that ing the public. From the circular it would appear that Glassco can sit up at 15 Annstreet or elsewhere and distribute "vibrations" of success, and also treat sickness, disease and suffering.
