BOB ROGERS HOLDS UP TORY PARTY AS SAVIOR OF NATION

Conservative Leader Says Canada Needs More, Not Less, Politics.

TORONTO, Nov. 2.—Hon. Robert Rogers returned here today from Montreal, after spending some days there as he had previously in Toronto, in consultation with his political friends.

Asked about the future of the Conservative party Mr. Rogers said:

"The Conservative party stands today where it always stood, in that it has never failed Canada in any national crisis and will not fail today, to fulfill its plain duty to save Canada from the danger of the position in which our country now stands trembling in the balance, at the parting of many ways. What we want in Canada today is not less politics but more politics, for after all, politics is the science of government, and if Canada is to grow and prosper what we must have is more of the science of government.

"I well know," he continued, "that I speak the feelings of loyal and faithful Conservatives everywhere, when I say that the day is at hand when the Liberal-Conservatives in all parts of Canada will consecrate anew in the hearts and minds of the vast majority of the plain people of our common country that traditional national policy that ever governed the actions of Macdonald and Cartier; that policy that has stood the test, in the fire of commonsense, for forty years and made Canada what it is today."

ALBERT E. COOK BURIED.

The funeral of Albert E. Cook, who died in Windsor on Monday, was held this morning from the residence of his mother-in-law, Mrs. M. Young, Van street, to St. Mary's Church, where requiem high mass was sung by Rev. Father Brady. Interment was made in St. Peter's Cemetery. The pallbearers were Messrs. Worrell, Miles, Shrimpton, Skine, Cook and Hillingsworth.

WITH DEPARTURE OF DOHERTY AND FOSTER, BARE QUORUM LEFT

Cabinet Council Has Thin Attendance—Guthrie Fitful Visitor.

[Special To The Advertiser.]

OTTAWA, Nov. 2.—With the departure for Geneva this afternoon of Sir George Foster and Hon. C. J. Doherty, the Canadian administration is left with a bare quorum for cabinet council. The premier and Hon. J. A. Calder are touring the West. Sir Henry Drayton and his tariff commission have left for the eastern portion of their inquiry, and there are left at Ottawa Sir James Lougheed, who will be acting premier, and Hon. Messrs. Ballantyne, Blondin, Sifton, Wigmore and McCurdy. Hon. Hugh Guthrie, who has been but a vtful visitor at the capital and who is scarcely yet acquainted with the staff of the militia department, of which he is the head, is expected back shortly, but not for long, since he will immediately take part in the Elgin by-election campaign now raging.

Increase Production.

An increase in the producing activities of the penitentiaries of Canada is said to be among the reforms which are being considered by the commission, which is now inquiring into conditions, with a view toward reform.

The proposal would involve the utilization of convict labor in the manufacture of clothing, boots, etc., coupled with an extension of truck gardening and fruit-growing activities. A daily allowance would be made to the convicts, to be paid to their dependents if any, or kept until the term of the individual prisoner had expired.

Marked Success.

This scheme has been worked with marked success in certain of the state penitentiaries across the line. In fact, in some cases the production and revenues therefrom have been so great as to pay expenses of the institution and to contribute considerably to the state treasury.

The scheme, if adopted, must be such as not to seriously compete with the ordinary labor market. P. M. Draper is a member of the commission, and will no doubt see to it that this is guarded against.

A further reform proposed is said to be the doing away with locking up convicts on holidays which fall upon a Monday. In such cases at the present incarceration for two consecutive days results.

LIVE HOGS DECLINE 50 CENTS PER CWT. ON LOCAL MARKET

Many Farmers Hold Out for $17 Per Cwt.—Dairy Butter Easier.

A decrease of 50c per cwt. in live hogs was the feature of a quiet market today. Only a few sales were made up to 10 o'clock, because of the farmers holding out for $17 per cwt. Buyers say they will not pay that amount. Small pigs were slightly easier at from $13 to $16 per cwt. Fat sows fell to $10.50 per cwt. The demand is exceedingly active, but it is thought that prices will not be any higher.

Timothy hay was $1 per ton higher. Prices now are from $30 to $32 per ton. The demand is active. No other changes in any grades of hay were recorded.

Dairy pound butter fell to 60c on the retail price. Wholesale it brings 58c per pound. Crock butter, wholesale, brought 58c per pound, but the retail price remains at from 62c to 63c per pound.

Apples by the barrel are becoming more in demand every market day. From $2 to $2.50 per barrel are the prices paid now.

Cow hides, grade No. 1, were easier, at from 6c to 8c per pound; grade No. 2 brought from 5c to 7c per pound, and No. 3 grade from 6c to 8c per pound. All these quotations are much easier.

Calf skins, grade No. 1, sold for 10c per pound, while No. 2 grades sold for 8c per pound. These quotations are also lower.

Kip, per pound, which has been selling at from 14c to 16c per pound reduced to 8c per pound.

Horse hides which have been bringing $5 each, were sold today for from $3 to $4 each.

Lamb skins were firmer with the active demand. The prices now for these are 35c and 50c each.

All wool prices remained unchanged.

GRAIN.

Winnipeg, Nov. 3.—November wheat opened ⅝c higher at $2 29; December ¼c up at $2 14, and May 1c up at $2 21.

Oats ⅛c higher for November at 65⅜c; December ⅛c up at 64¼c, and May ½c higher at 69⅛c.

Corn—Dec., 84¾c; May, 90¾c.

Oats—Dec., 55⅛c; May, 60¼c.

Chicago, Nov. 3.—Moderate declines in the price of wheat resulted today from lack of support. Some buying on the part of a house with seaboard connections led to a little show of firmness at the outset, but demand otherwise proved small, and the market sagged, despite assertions in some quarters that this country is now practicallly on a domestic basis, even including the amount of wheat which will be received yet from Canada. Opening prices, which varied from unchanged figures to ¼c higher, with December at $2 09½@2 10 and March at $2 02¼, were followed by declines all around to well below Monday's finish.

Corn eased down with wheat. After opening ⅜c off to ½c higher, including December at 84½@84¾c, the market suffered a general setback, but then rallied somewhat.

Oats were governed by the action of other cereals, starting unchanged to ¼c higher.

CAMLACHIE

CAMLACHIE, Nov. 2.—Forward movement meetings were held in Knox Church each night last week, and each speaker presented in a forcible manner the different phases of the spiritual side of the movement. The final meeting was held Sunday morning, when Rev. Coxson, a missionary from India, gave a most interesting talk on the work at Russell Porta.

Christ Church Guild held a Halloween tea at the home of Mrs. F. W. McCordic on Saturday afternoon and evening. There was also a sale of home-made baking, the two netting $34. The house was prettily decorated for the occasion.

NEW YORKERS CHALLENGE BRITISH YACHTSMEN TO RACE NEXT SUMMER

London, Nov. 3.—Paul Hammond of New York, Guy Lowell of Boston, Paul Drexel of Philadelphia, and E. W. Stewart of New York have challenged British yachtsmen to a race which it is hoped will become an annual event, says the Daily Mail. It has been suggested, according to the newspaper, that the first race be held in British waters next summer, and thereafter alternately in United States and British waters.

The challenge, it is said, virtually has been accepted on behalf of four prominent English yacht clubs by a well-known yachtsman to whom the challenge was sent.

The Mail understands that Sir Charles Allom and W. P. Burton, captains of the Shamrock IV. in the America's cup races last summer, are among those interested in the challenge.
