CAPT. WALLACE HOLDS TWO FINE MEETINGS

Big Crowds and Great Enthusiasm—New Mission Church in Bedford Park—News Notes.

MIMICO, Oct. 22.—(Special.)—Dr. Godfrey, M.L.A., announced at Capt. Tom Wallace's meeting in the Mimico school house last night that he had heard it said that unfair work was being attempted in that portion of the riding; that in consequence he had engaged three detectives who would be on the watch and if any act contrary to the purity of elections warrants would be issued and arrests made. No one knew who these detectives were but himself and he warned Tories and Liberals alike to beware. The doctor appealed to the electors to support Capt. Wallace because of the record of the Laurier government in bringing undesirable immigrants to Canada.

Dr. Thornton, the next speaker, arranged the government for its record and its unredeemed platform as far as the Ottawa platform of 1905 was concerned. He also showed in a very effective way how the government had been extravagant in the use of ships that were equipped by the government.

W. F. Maclean was the last speaker. He asked the voters to send Tom Wallace to Ottawa to be another fighter for public rights.

All the reports in this part of Centre York are favorable to Capt. Wallace's election on Monday.

A PLEA FOR CHRISTIE.

Many Supporters Land Candidate at Whitby and Assure Him of Victory.

WHITBY, Oct. 22.—(Special.)—A strong plea for the return of Mr. Christie, the Conservative candidate in South Ontario and Oshawa, was registered at a meeting held in his interest here to-night. The music hall was well filled, there being a large number of ladies present. W. D. McPherson, M.L.A. of West Toronto, was the chief speaker. He dealt the Laurier administration some sledge-hammer blows with his luminous exposure of its broken promises and graft. G. G. Porter of West Hastings was to have been present, but was absent owing to a railway accident.

Mr. Christie was warmly received and heartily cheered.

OBITUARY. Clem Perdue. Many friends in Toronto will be surprised and saddened to learn of the death of Clem Perdue, son of Avern Perdue, librarian at the parliament buildings. "Clem" who was in his 24th year, was a victim of tuberculosis, and death occurred in Muskoka, where he had spent the past year. Some five years ago he entered newspaper work at a member of "The World" staff, and later at "The Globe." He had been west and gained valuable experience on Winnipeg and Pacific coast papers. It was in Vancouver that he contracted consumption thru exposure in connection with his work. He made numerous trips to the coast, and returned east a year ago. Intermittent consumption thru exposure to Mount Pleasant.

At Waterbury, Conn.—Rev. Mgr. William J. Stocum, noted Catholic rector. The death took place in this city of Staff-Serg. J. Woodburn of the Royal Canadian Engineer Corps. Serg. Woodburn was born in Markham 25 years ago and had been connected with the Canadian militia since boyhood, having served in the Guelph Field Battery, Gov.-Gen's Body Guard in the Northwest rebellion and latterly in the Canadian regulars; was also a graduate of Kingston School of Gunnery. He leaves a widow and one able handling of the part. It is to be regretted that she is not seen in more than the one act.

One of the cleverest and wittiest scenes in Marie Cahill's "The Boys and Betty" which is the attraction at the Princess Theatre, Tuesday. She was born in Glasgow 60 years ago. A husband and seven children survive her.

Claude E. Howard, a student at Wycliffe College, died at the General Hospital, from heart trouble. He was born in England 26 years ago, and was in his fourth year's study of theology.
