\$3.50 Shoes FOR MEN.

There is not today in Canada a line of men's footwear retailing at \$3.50 a pair that can compare with the

Waterbury & Rising Special

IN SHAPE, STYLE OR WEARING QUALITIES.

We made up our mind to place on the market, under our own name, a line of men's shoes in all leathers, and in almost every style, to sell at \$3.50 a pair. Manufacturers all over the country decided that in consequence of the steady advance in the price of leather it would be impossible to continue selling \$3.50 shoes, but we had built up a large trade, and concluded that even though profit should be eliminated altogether, the standard of our \$3.50 goods should and would be maintained.

LATE LOCALS

Steamer Mont Eagle arrived at Yokohama on April 23, from Vancouver. La Tour Section, J. T. of H. and T., has elected Sterling Stackhouse, worthy herald. The freshet in the harbor is running hard today. Vessels shifting now require the assistance of tugs to get to their berths and in going through the falls.

A number of small boys have been reported for stealing a number of hats from the St. John Iron Works. The case will probably come up tomorrow morning.

The mayor has received a letter from N. Marion, of Montreal, asking if a Miss Ethel Higgins of 56 Bridge street, is still in the city. According to the directory there is no family of that name on Bridge street.

A. Comrie, Homer S. Forbes, David W. Ledingham, Harry Warwick and W. C. Rothwell, were duly elected members of R. K. Y. C. last night. The quarterly meeting of the club will be held May 7.

The present season has been very backward for gasperous fishing in the harbor. At this time last year, a large number of the fish were being caught but up to the present time this year the catch has been very small. The fishermen are hoping for a better turn of luck in the next few days. The shad fishing season commences about the middle of May.

REACH IS NOW FREE FROM ICE

River Rising Rapidly - By Sunday Water Should Be Over Indiantown Wharves. The steamers at Indiantown were all flying flags this morning to celebrate the opening of navigation. The ice is practically all out of the reach and the majestic with a large freight and a number of passengers left under the command of Capt. McLean, for Fredericton, at noon today.

The Elaine, which went to Wickham yesterday afternoon, arrived at her berth at 12.45 this afternoon with a number of passengers and some freight.

The Springfield, which left yesterday at 11.30 a. m., is lying back of Oak Point at 12.45 this afternoon with a number of passengers and some freight.

The mills are all closed down owing to the scarcity of logs, but J. W. Holly & Sons expect to get some out of South Bay in a few days.

The steamer at Indiantown continues to rise and Sunday will surely see the water over Indiantown wharf.

Joseph H. Moore

At the home of his son-in-law, Arthur L. Roberts, the death occurred on Tuesday last of Joseph Henry Moore, a native of Long Reach, Kings Co. The deceased had been in feeble health for some time, and was eighty years of age. He is survived by two daughters, Mrs. Roberts and Miss Jennie, also one brother, John. Mr. Moore was of direct loyalist descent, being the grandson of James and Eleanor Moore (whose maiden name was Sutton). They came from Glasgow, Scotland, to New York, and at the time of the revolutionary war they came to New Brunswick as loyalists, and took up lot 16 on the St. John river. This lot is now owned and occupied by one of his great-grandsons. A short service was held at the house at eight o'clock, Wednesday evening, after which the remains were taken to Long Reach for interment.

STEAMSHIP MOVEMENTS

Steamer Manchester Trader sailed at 10.30 today for Manchester, with a general cargo. Royal mail steamship Empress of Britain left Halifax this morning at 1 o'clock. She is due this evening with passengers and overland mails. C. P. R. steamer Monmouth, Captain Ward, sails tonight for Bristol and Avonmouth. C. P. R. steamer Mount Temple will sail tomorrow morning for London and Antwerp. She is taking away a large general cargo. C. P. R. steamer Lake Erie is about ready to sail for Liverpool and will probably sail tomorrow with a full freight.

THE PLAYGROUND GRANT

The mayor has received a letter from Miss Mabel Peters, at present in Detroit, Mich., who is convener of the Public Playgrounds committee, expressing her thanks for the grant of \$200 which was proposed by the treasury board at their recent meeting. Miss Peters thinks the grant is rather small to make much advance this year, but says it is a beginning and as soon as the city realizes the advantage of supervised play, the city's support will increase.

GREEK DAY IN POLICE COURT

Andrew Petropolis Fined \$20 for Assaulting George Mirisses.

Greek met Greek in the police court this morning when the case of George Mirisses vs. Andrew Petropolis came up for hearing. Mirisses swore out a warrant yesterday, in which he charged Petropolis with assaulting him on Thursday afternoon, and today, after taking of evidence, Petropolis was adjudged guilty and fined \$20 or two months in jail. E. S. Ritchie appeared for the plaintiff and W. Watson Allen for the defendant. It developed in the evidence that Mirisses in company with a companion dropped into the pool room on Mill street, kept by Petropolis. Mirisses removed his coat and went to one of the pool tables, removed the triangular rack from the balls and said he was going to play pool. Andrew Petropolis replaced the rack and told Mirisses that he didn't want him there at all, as he had made too much trouble.

Later on Mirisses told Petropolis that he would fix him. Petropolis then sprang at him, bore him to the ground, caught him by the hair and managed to get him into the shoe shining department, but did not put him out on the street.

When liberated from the grip of his adversary, Mirisses went out for a policeman.

It also came out in the evidence that some unavowed epithets had been exchanged between the plaintiff and defendant. Bernard Theodore was in court in the capacity of interpreter.

Mr. Allen moved for dismissal on the ground that it was known that there had been blood between Mirisses and Petropolis and that the complainant had gone into the pool room with the intention of making trouble. Relative to the charge of assault Mr. Allen said that in ejecting Mirisses, his client had used no more force than was necessary. He thought Mirisses and the whole Greek colony should be bound over to keep the peace. He understood that some of the local Greeks had sworn they would drive the Petropolis brothers out of town.

Mr. Ritchie held that from the evidence it was clear that the plaintiff had been kicked while being held down.

Judge Ritchie, after reviewing the case, said he considered the weight of evidence was against the defendant and adjudged Petropolis guilty and fined him \$20 or two months in jail.

Wm. Gordon, Owen Bond and Thos. Currie, charged with absconding themselves from S. S. Lake Erie, without leave, pleaded guilty and were remanded.

Two drunks were dealt with as usual.

NEW BRUNSWICK DOES WELL IN WEST

G. A. Mitchell a Graduate of Mount Allison Wins Important Promotion on Northern Pacific

(Spokane Review, April 18) George A. Mitchell, general agent for the Northern Pacific in Spokane, has been appointed assistant general passenger agent for the road in St. Paul, vice A. B. Smith, who has gone to the New York, New Haven & Hartford road as passenger traffic manager.

Mr. Mitchell recently returned from St. Paul, where he attended a meeting of the western general agents, when a summer schedule of trains was arranged. John C. Poore, formerly chief clerk and chief rate freight agent, with headquarters in St. Paul, has been appointed to the same position as Mr. Mitchell, but will remain in the office. Mr. Mitchell's position will be that of traveling agent.

Mr. Mitchell took the position of general agent in Spokane a year ago Monday, succeeding Alexander Finlay. He has made a number of firm friends since coming here, who will be sorry to have him leave. Mr. Mitchell has been in St. Paul several weeks ago, but did not readily take it because of waiting for an operator. He worked in that capacity until 1895, and was then made cashier, agent and yardmaster successively. He was employed between 1895 and 1902 as a traveling agent, with headquarters at Rosland, B. C., and in the latter year came to Spokane as a travelling agent, working in that capacity until a year ago, when he took charge of the general agent's office.

He was born in Canada and was educated in Mount Allison university, a Methodist institution in New Brunswick. Since joining the forces of the Northern Pacific he has opened nearly all of the offices of the company on the then Cascade division and is one of the company's most trusted employees.

Mr. Mitchell does not want to leave Spokane, but feels that in his promotion he has been honored in such a way that he cannot overlook the chance to move upward. The name of his successor here has not yet been announced, but will be in a few days. Mr. Mitchell is not married.

Liberal Delegates Will Hold Their Nomination Meeting This Evening.

Tonight the delegates appointed at the Liberal primaries, held last Monday night, will meet in Berryman's Hall to nominate a candidate for the vacant St. John City and County seat. As practically all the delegates are known to favor Hon. Wm. Pugsley as the candidate, there is no anticipation other than that Dr. Pugsley will be chosen.

It is intended to hold a mass meeting on Wednesday next, and at that meeting the delegates will report their choice for ratification. The place for the ratification meeting has not definitely been decided upon, but will be announced after tonight's meeting.

E. W. Thurlow and wife, of Lunenburg N. S.; Mr. and Mrs. R. Hall, of Boston, and Thos. Brantcliffe, of Toronto, are at the New Victoria.

William N. Collins, of the I. C. R. freight department, will be united in marriage to Susanna A. Fraser, at the residence of Chas. Beers, her uncle, Pokok Road, Wednesday evening May 8.
