MOFFAT'S
VEGETABLE LIFE PILLS, AND
PHENIX BITTERS.

WEGETABLE LIFE PILLS, AND PHENIX BITTERS.

WHO WANTS BETTER EVIDENCE?—
I would refer the reading public to the numerous voluntary letters published, recently in the Good Samaritan and other papers, relative to the happy and beneficial effects of the administration of MOFFAT'S LIFE PILLS AND PHENIX

BITTERS.

Those who have perused the letters above referred to will observe that in almost every case they attest the fact, that no inconvenience of any sort attends the taking of these medicines in ordinary cases, but that the patient, without feeling their operation, is universally left in a stronger and better state of health than was experienced previous to being afficied with disease; and in all cases of acute sufficient great relief is obtained in a few hours, and a cure is generally effected in two or three days.

In cases of EVER of every description, and all billous affections, it is unnecessary for me to say aught, as I believe the LIFE MEDICINES are also a most excellent relief in effections of the Liver and Bowels, as has been proved in hundreds of cases where patient-have come forward and requested that their expessions of the Liver and Bowels, as has been proved in hundreds of cases where patient-have come forward and requested that their expessions of the Micrograph of the benefit of others. In their operation in such cases they restore the tone of the Stomach, strengthen the digestive organs, and invigorate the general functions of the whole body, and thus become to both sexes (for they are perfectly adapted to each) an invaluable means of preventing disease and restoring health.

In affections of the head, whether accompanied with each of the content of the strong disease and restoring the property of the content of the content of the strong disease and restoring health.

health.

In affections of the head, whether accompanied with pain and guidiness or marked by the grievous catamity of impaired mental energy; in pulpitations of the heart, flatalence, loss of appetite and strength, and the multiplied symptoms of disordered digestion. THE LIFE MEDICINES will be found to possess the received and the properties of the pro

and the multiplied symptoms of disordered digestion. THE LIFE MEDICINES will be found to possess the most salutary disease.

Constitutions relaxed, weak, or decayed, in menor women, are under the immediate influence of THE LIFE MEDICINES. Oil coughs, asthmas, and consumptive habits are knon relieved and speechly cured. Poverty of blood, and emaciated limbs will ere long meet the happiest change; the child watery fluid will become rich and balsamic, and the limbs be corrected with flesh, from and healthy.

Nervous disorders of every kind, and from whatever cause arising, fly before the effects of THE LIFE MEDICINES, and all that train of sinkings, anxieties, and tremours which so dreadfully affect the weak, the sedentary, and the delicate, will in a short time be succeeded by cheerfainess, and every presage of health.

For weakness, deficiency of natural strength, and relaxation of the vessels, by two frequent indulgence of the passions, this medicine is a safe, certain, and invaluable remedy.

Those who have long resided in hot climates, and are languid and relaxed in their whole system, may take THE LIFE MEDICINES with the happiest effects; and persons removing to the Southern States or West Indies cannot store a more important article of health and life.

The following cases are among the most recentures effected, and gratefully acknowledged by the pursons benefitted:

cures effected, and gratefully acknowledged by the persons benefited:

Case of Jacob C. Hunt, New Windsor, Orange County, N. Y.—A dreadful tumor destroyed nearly the whole of his face, nose and jaw. Experiences quick relief from the use of the Lite Medicines, and in less than three months was entirely cured. [Case of Thos. Purcell, sent; 84 years of age—was afflicted 18 years with swellings in his legs—was entirely cured by taking 42 pills in 3 weeks.

Case of Josa Daulton, Aberdeen, Ohio—rhumatism five years—is entirely cured—has used the Lift Medicines for Worns in children, and found them a sovereign remedy.

Case of Lewis Austin—periodical sick headache—always relieved by a small dose—now entirely free from it.

Case of Adon Ames—cured of a most inveterate and obstinate dyspensia, and general debility.

Case of Adah Adaons, Windsor, Ohio—rheumatism, gravel, liver affections, and general nervous debility, had been confinel seven years—was raised from her bed by taking one box of pills and a bottle of bit ters—a most extraordinary cure—she is now a very healthy and tobust woman—attested by her husband Shubei Adams.

Cure of Mrs. Badger, wife of Joseph Badger—nearly similar to above—result the same.

Case of Susan Gondarant, a young unmarried woman—subject to it il health seeved years—a small course of the Life Medicines entirely restored her—is now hole and healthy.

Case of Mis Thomas, daughter of Eii Thomas—

course of the Life Medicines entirely restored her— is now hole and healthy.

Case of Miss Thomas, daughter of Eii Thomas— cough and symptoms of consumption—cured in four weeks. Her sister cured of a severe attack of infam matory rhumatism in one week?

Case of S. Colvin—cured of a severe attack oscarlet fever in a few days by the Life Medicines.

Case of Harriet Twopood, Selina, N. Y.—was in a very low state of health a vear and a half—did now expect to recover. Miss T. is now able to walk about and is rapidly recovering both health and strength.

Case of Registric V.

a very low state of health a vear and a half-did not expect to recover. Miss T. is now able to walk about and is rapidly recovering both health and strength.

Case of Benjamin J. Tucker—severe case of Fever and Ague—cured in a very short space of time. Directions followed strictly.

Case of Amos Davis—Affection of the Liver—after trying doctors' remedies in vain for a long time, was cured by the Life Medicines without trouble.

Extraordinary case of Lyman Pratt, who was afflicted with Phthisic 20 years—effected a perfect cure in 24 hours by the use of the Life Medicines.

Thousands of persons afflicted in like manner have, by a judicious use of MOFFAT'S LIFE PHLLs and PHENIX BITTERS, been restored to the enjoyment of all the comforts of life. The Bitters are pleasant to the taste and smell, gently stringe the fibres of the stomach, and give that proper tensity which a good digestion requires. As nothing can be better adapted to help and nourish the constitution, so there is nothing more generally acknowledged to be peculiarly efficacious in all inward wastians, loss of appetite, indigestion, depression of spirits, tremb ing or shaking of the hands and limbs, obstinate coughs, shortness of breath, or consumptive habits.

The Life Medicines possess wonderfal efficacy in all rervous disorders, fits, headaches, weaknesses, heaviness and lowness of spirits, cimness of sight, confused thoughts, wandering of the mind, vapour and meanacholy, and all kinds of hysteric compaints are gradually removed by their use. In sickness of the stomach, flatulencies, or obstructions, they are sate and powerful, and as a purifier of the blood they have not their equal in the world!

For additional particulars of the above medicines, see Maffat's "Good Samaritan," a copy of which accompanies the medicine; a copy can always be obtained of the different Agents who have the medicine for sale.
