Escaped the Law

Henry Brown, charged in the police
court with failing to support his wife
and two children and who was remanded until
today for sentence did, last evening in the
Emergency Hospital.
There is a moral to the above story,
and it is this:—
If you don't support your family while
living, the law will compel you to do
it, or send you to jail.
If you die and leave them without proper
financial support, you escape the law. But
what of your moral obligation?
How would your wife and children be fixed
if you should die to-morrow?
Face the situation squarely. Then, if you haven't
as much life assurance as you should have, write to
us about it, and we'll tell you all about the best
Imperial Life Policy to meet your particular need.

LOCAL NEWS

Mrs. Aytoun wanted new shoes so she
went into a shop, where an obliging as-
sistant brought out a selection for her
to try on.
"That's strange, madam," said he, af-
ter many vain attempts to fit her. "One
of your feet is larger than the other."
Bristling with rage, the lady left that
shop and sought another. Here, again,
the assistant failed to find a pair which
would do.
"How curious, madam," he said, "one
of your feet is smaller than the other."
And with a beaming smile Mrs. Aytoun
bought two pairs.

MR. CARVELL AS A BLUFFER

least." Such men as Hon. A. B. Morine,
Hon. J. K. Flemming and Colonel John
Wesley Allison might now give their
opinion of Carvell as a bluffer.

MACAULAY-ROWE
A pretty wedding took place in St.
Paul's Episcopal church in Charlotten-
town, P.E.I., on Saturday, July 29, when
Rev. T. W. Murphy united in marriage
Harry Donald Macaulay, eldest son of
Mr. and Mrs. G. A. Macaulay of West
St. John, and Miss Olive E. Rowe,
youngest daughter of Mr. and Mrs. J.
A. Rowe of Charlottetown. The popu-
lar young people were the recipients of
a large number of beautiful presents,
among which were a handsome silver
teacup service from the employees in the
public works department of which Mr.
Macaulay is an assistant engineer, a
mahogany tray from the Norton Grif-
fiths Company, a silver percolator with
tray to match from Horace Longley,
engineer of the Norton Griffiths Com-
pany, and a silver card receiver from
Prof. William Moran, of the Union
Commercial College in Charlottetown, of
which, Mrs. Macaulay was a pupil.

THE COUNTRY MARKET.
Today in the local market marks one
of the busiest days in the history of the
market. From early morning people
were coming and going in large numbers
and indications were for an exceptionally
busy Saturday. Very little alteration
was visible in prices. Lamb is reported
to be plentiful for the first time this sea-
son, but the price is still high, 30 to 35
cents a pound. Chickens and fowl are
unusually high in price, chickens selling
for \$1.20 to \$2. Veal is 12 to 20 cents;
pork 15 to 20; beef 12 to 28; eggs 85
cents a dozen and are scarce; butter is
demanding 30 cents, and is also reported
scarce. There is a fine supply of native
vegetables. Blueberries are also plenti-
ful and are selling for ten cents a box.
Wild raspberries are selling for \$1 a peck.
A remarkable thing for August 4, pointed
out by local merchants in the market, is
that the supply of strawberries is ap-
parently inexhaustible and they report
a large supply for today. They are
said to be of the very best quality.

A SORRY SPECTACLE
To Late For Classification

(The Campbellton Graphic)
When over two months ago the people
of New Brunswick, through the election
of Westmorland, notified the provincial
government that they had lost confidence
in the present administrators of public
affairs, and refused to elect P. G.
Mahony as chief commissioner of public
works, it was expected that Mr.
Mahony would gracefully retire to pri-
vate life and that Premier Clarke would
name another member for the honorable
and responsible position.

But now, after a lapse of two months,
we find that Mr. Mahony, a private
citizen, is transacting the public business
contrary to all rules of responsible
government.

We also see the sorry spectacle of the
premier of the province and a number of
members of the cabinet, who would not
constitute to open to fill this impor-
tant portfolio. Last week they visited
Northumberland and Restigouche, but
received little encouragement.

The probability of a well election is
greater today than a month ago, and it
looks very much as if the plunge will be
taken early this fall.

Throughout the whole province both
government and opposition forces are
being organized and candidates named.
The opposition, greatly strengthened by
large numbers of the best thinking elec-
tors, who formerly supported the Flem-
ing government, but who would not
stand for the carnival of graft and boot-
legging as revealed by the various commis-
sions, have been openly and honestly
government, feel confident that they will
sweep the province, as has been done
in Manitoba. It is certainly time for a
change.

THE WORST FOR
TWENTY YEARS

(Carleton Sentinel)
Those who have occasion to do any
considerable amount of automobiling
throughout Carleton county, are united
in the opinion that the highways gener-
ally are in a worse condition than for
twenty years. The question is being
asked: "Where is the money that is
appropriated for roads?"

The road from Jacksonville to Deer-
ville, and from Upper Woodstock to
Victoria Corner offers practically an ob-
stacle rare to passing autos. From
Woodstock to Medford there is every
evidence of the same lack of attention
and the crossings are practically im-
passable unless great care is used in the
attempt to get over them. A reasonable
diagnosis of the condition is that the
men appointed to do the work give it
little or no thought and are simply the
political tools of a corrupt and dis-
credited government. The people are
beginning to realize that under the
present political system, road work has
a rubber stomach into which they pour
taxes year after year, causing no dis-
tress except to themselves and resulting
in no better conditions.

Auto Bandits.
Five unmasked automobile bandits
early yesterday afternoon held up an
automobile in Detroit, in which \$60,000
pay roll money was being taken to the
plant of the Burroughs Adding Machine
Company and, before the astounded
guards could offer resistance, snatched
five bags of six in the car, said to have
contained \$87,000, and escaped.

The death occurred at Tay Settlement,
July 30, of William Tomlinson, aged
seventy-seven years. He is survived by
a widow, two sons and four daughters
—James, of New Westminister; Mrs.
Mary Annell, Royal Road West; Mrs.
Mattie Finney, Somerville, Mass.; Mrs.
Jennie Macconnell, Boston, Mass.; Archie
at home; Mrs. Alice Tomlinson, Tay
Settlement, and one sister, Mrs. Lavina
Tomlinson, of the same place. The de-
ceased was postmaster of Tay Settle-
ment for forty-eight years.
