#### JAPANESE FAST ENCROACHING ON WHITES IN AUSTRALIA

London, April 20.—(By mail).—The  
present generation and to decide  
whether Australia should be peopled  
with men of her own color or those of  
darker breed, said Sir Matthew Nathan,  
Governor of Queensland, say a London  
Daily News despatch.

Japan's population was increasing at  
the rate of 800,000 a year and life was  
rapidly growing more difficult. The  
country would soon become too full  
and there must then be an exodus. He  
did not mean that the Japanese were  
planning aggressive action toward Aus-  
tralia, but that was the natural prog-  
ress of things. Meanwhile the Eng-  
lish and an outlet for their surplus popu-  
lation. Japan is seeking one.
