HER HERO SON.

Mrs. W. D. Cummings, 6 Delhi street, has received the medal awarded to her son, Driver W. D. Cummings, who gave his life in the great war. It is a handsome silver medal, and was forwarded by the militia department of Canada.

The Times is asked to say that a published report referring to the keeping of a rooming house by Mrs. Mitchell, in the building at the corner of Mill and Union streets, which was gutted by fire yesterday morning, was incorrect. resignation was supposed to take effect today. Some delay in sending forward the applications is said to be the reason for the lateness in the appointment.

ATTEMPT AT BURGLARY.

What would seem to have been a bold attempt at burglary, occurred last night when a heavy plate glass in the shop door of the Fairville Drug Co., Ltd., was smashed in, evidently by some heavy instrument. So far as could be ascertained this morning by the management of the business nothing was known to have been stolen, but this breaking of a shop window on the Main street following so soon after the robbery in Carey's shop early in the same week, looks as though lawless individuals were getting in some rough work unchecked. It is understood the plate glass window was insured.

To Jury Today. Winnipeg, April 1—Unanimously action by the legislature toward urging the Dominion government to transfer their natural resources to the western provinces was forecast last night, when arrangements were made for the group leaders to confer on the resolution to be submitted to the house. The suggestion for such a conference was made by J. T. Haig, Conservative leader and accepted by Premier Norris.

THE BREAKWATER.

Winnipeg, April 1—Stating that the proposed 25 per cent cut in bonuses as proposed by Premier Arthur Meighen would constitute" a grave injustice" a mass meeting of Dominion civil servants last night drafted a telegram to Premier Meighen, Hon. W. L. MacKenzie King and Hon. T. A. Crerar, protesting against it.
