## TWO NEW MEMBERS FOR LEGISLATURE

Redistribution Bill Passed by Committee of House—No Other Changes.

Fredericton, April 15.—The Government bill relating to electoral representation was before the committee of the House this evening. It would create two new constituencies. One would comprise St. Stephen and Milltown and the other Fredericton, Devon and Marysville. Each of the two would have one member. Otherwise the bill proposes no changes. Mr. Richards opposed the bill. He said the case of the towns named was entirely different from that of Moncton. A complete and obvious gerrymander, he said, was proposed. Had there been any demand for it? He had not learned of any such demand. It was an attempt to live voters in the hope of gaining political advantage.

Premier Veniot replied to Mr. Richards, declaring that there was no reason for the former Government making Moncton a separate constituency. That was a glaring gerrymander. The present Government believed that the interests of the towns named were so different from those of the rest of York and Charlotte counties that they should have separate representation.

Mr. Guptill said no reason or justification for the measure had been given. There was no demand from the islands of Charlotte for this gerrymander. He was not personally concerned but objected to the principle. The vote was taken and the measure adopted by a straight party vote as between Liberals and Conservatives. The Farmers were divided.

## WHY DOES YOUR DOCTOR ADVISE A SPRING TONIC AT THIS TIME OF YEAR?

This is the season when your system is trying to adjust itself to warmer weather. Your liver becomes sluggish and your bowels clogged up with poisonous, sickening wastes. As a result, many suffer from such symptoms as sour stomach, coated tongue, bad taste, biliousness, irregular movements of the bowels, sick-headaches, pains in the back and sides.

Make this test! Cleanse and tone your liver and bowels with Dr. Thacher's Liver and Blood Syrup. Put your stomach in condition—soothe your tired and over-taxed nerves, brace up your system and send purer and healthier blood coursing through your veins.

Notice quick difference in way you look, eat, sleep and feel—improvement in less than 14 hours. You, too, will be satisfied, as others have, or no cost.

Dr. Thacher's is sold and recommended by J. Benson Mahoney, corner Union and Dock; Wasson Company, Ltd., 9 Sydney; A. Chipman Smith & Company, Charlotte; Travis Drug Company, Ltd., 542 Main, corner Portland; D. J. Mowatt, Haymarket Square; Geo. A. Cameron, 141 Charlotte, corner Princess in St. John; E. R. W. Ingraham, in West St. John; O. D. Hanson, in Fairville; Compton, the Druggist, in Hampton, and by leading druggists in every city and town.
