

COMMITTEE'S REPORT.

9

ST. GEORGE'S UNION.

The St. George's Union Convention was held in London, Ont., on the 24th to the 27th of August, and as an enjoyable re-union, could not have been surpassed, our London brethren having done everything in their power to make it so.

Messrs. J. H. Mason, H. Symons, and J. E. Pell, represented this Society. The principal burdens, under which many of the Societies seemed to have to contend, were, unsuitable immigrants and Tramps. The next meeting place selected was Philadelphia.

THE TENT.

The Tent has not been used during the year, and it is recommended that it should be sold in the spring.

HER MAJESTY'S JUBILEE.

The Committee and Stewards of the coming year, should, without doubt, take into consideration, and be prepared to report to the Members prior to St. George's Day some scheme either to be adopted in conjunction with other public bodies, or alone for the celebration and commemoration of Her Majesty's Jubilee year.

SOCIAL OBJECTS.

With a view to promote "mutual and friendly intercourse" among the Members it was recommended by a monthly meeting recently held, that matters of interest of a literary or musical character should be introduced at the Society's monthly meetings, and the Committee trusts that the subject will be dealt with at the coming annual meeting.

AMENDMENTS.

Notices of motion have been given for amendments to the By-Laws, by providing for the addition of four new Members to the Managing Committee, and by restoring the By-law limiting the occupation of the President and Vice-Presidents chairs for one year.
