

Miramichi and the North Shore, etc.

W. W. BRIDSON—Will doze down... The closing Hymn was 222, A. & M., and was sung in a manner in keeping with all other parts of this most interesting and enjoyable festival.

St. John's—Service will be held in St. John's Church, Chatham, on Sunday next, in the forenoon.

Nor. Bah.—Coun. Sullivan's hit at the Dominion Government over the Economic Breakwater matter.

A Blessing for the Little ones is offered in Pleasant News advertised in this week's Advance.

Don't fail to go to the Concert in Masonic Hall Chatham on Monday night. For variety and real attractiveness it promises to be one of the very best ever given in town.

Court Council.—We complete the publication of the Municipal Council proceedings in this issue, with exception of the lists of Parish and County officers, which are held over until next week, when they will appear in full.

Obituary.—The funeral of the late Mr. Thomas McLaughlin, which took place on Tuesday, was very largely attended. The deceased resided in Chatham in the Municipal Council last year, but retired on account of failing health. He was a good citizen.

Seating Matters.—It will be seen by advertisement that there will be a number of good places for skating next at the Miramichi Skating and Curling Rink, Newcastle, on Monday next, 5th inst. instead of Tuesday, as announced in the Advance—the time having been changed.

New Law Firm.—Messrs. A. E. Johnson and Robert Murray, Jr. have formed a law partnership, as will be seen by their card in another column. Both have had considerable experience in the business and the new firm is fully qualified to get their fellow-citizens in or out of difficulty as may be required.

An Extensive Sale is advertised by Mr. Goggin, who is to clear out his whole stock of hardware by the last of next month, when he proposes to join his partner at Beason, where the firm is now doing a flourishing business. Mr. Goggin informs us that he is offering great bargains to jobbing purchasers, as well as to general buyers.

The Lectures of the regular course in Temperance Hall Chatham was poorly attended, owing, no doubt, to the cooler situation in Newcastle. W. S. Loggie, Esq., occupied the chair and Messrs. Taylor and Fountain respectively moved and seconded the vote of thanks to the lecturer. The next lecturer will be Rev. John C. Berry of Shelburne, who will appear on Friday 13th inst., "London in and out of history."

Prisoners.—Mr. Sutherland of the enterprising firm of Sutherland & Creaghan, Newcastle, was a passenger by the Gardner from Halifax on Saturday last. He is to visit the principal trade centres of Great Britain for the purpose of personally selecting Spring and Summer stock. This firm finds advantage to both themselves and their customers in making personal selections of goods and their custom of making annual visits to the great trade manufacturing centres of the mother country keeps them fully abreast of the times in their increasing business.

Mr. Sutherland was entertained at a complimentary supper at the United States Hotel before leaving on his present trip.

Correction.

In our report of the first day's meeting of the Municipal Council, published last week, there was an error in reference to the part of the proceedings relating to the appointment of Wardens. The report should have read as follows—Coun. Loggie having moved to the Chair—Coun. Cameron proposed that Coun. Toner be Warden, the motion being seconded by Coun. Barron, Ryan Adams and others. The Chairman having asked if there were any more nominations.

Coun. Robinson proposed Coun. Robinson be Warden, seconded by Coun. Robinson. Coun. Robinson thanked the mover and seconded for the honor done him, but was sorry that as business of importance required his particular attention this day he could not attend to the duties of Warden and requested the motion to be withdrawn which was accordingly done and Coun. Toner was unanimously elected.

Juvenile Carnival.

A thoroughly enjoyable Carnival for the young folks is in preparation and will be given at the Chatham Skating Rink on Tuesday evening next, 5th inst. Ladies and misses of all ages up to sixteen years will be admitted on the ice in costume and suitable prizes are to be awarded—each to the best male and female characters. All who go in costume are particularly requested to present themselves as early in the evening as possible, so as to be particular in bringing with them cards bearing their full names, places of residence, and title of character assumed. Any who may desire not to have their names published will please so state on their cards and their wishes will be complied with.

The barrel and potato races will be most amusing features and will open to the ladies present. The Secretary, the Director in charge, or the Caretaker of the Rink will be glad to give information on the subject to ladies who intend to compete. The entrance to these races will be free and prizes will be awarded to the winners. This part of the evening's programme will be brought on about half past eight.

The annual service of the Choir Union of the Rural Deanery of Kingston, K. C. was held in Trinity Church, Sussex, K. C., at 3 p. m., on the 25th ult., being the Festival of St. Paul. Wainwright, Wainwright, Wilmot, Talbot, Headly, Hancock, Montgomery and Cowie. Among visiting Clergy were Rev. D. Forsyth, of Chatham.

About 70 singers from different choirs, occupied the Chancel, and were accompanied by the organ and two stringed and two wind instruments.

At the beginning of the service the Hymn "Ten thousand times ten thousand" was sung with fine effect, after which the prayers were said by Bishop Kingston. The Lettison being read by the Rev. D. must be," in the same collection. The special Psalm was antiphonally rendered with fine effect. The closing Hymn was 222, A. & M., and was sung in a manner in keeping with all other parts of this most interesting and enjoyable festival.

John, played against the Thistle and Caledonia Clubs of New York. We, therefore, include the scores of that match in the grand total and find that all their play they came out as follows—

Chatham, 27 to 19
Caledonia, N. Y. 19 to 27
Thistle, N. Y. 19 to 27
Lindsay, 19 to 27
Foster, 19 to 27
Haltick, 19 to 27
Brookville, 19 to 27

Chatham total 123 against opponents 100

And yet Chatham happened to lose the game against Lindsay, Port Hope and Brookville, which threw them out of being prize winners. If, as it is in rifle and many other competitions, the grand aggregate counted, Chatham would have had first place. It is conceded that our Carriers are among the best in America, and their best rinks can prove it at any time. At Quebec our men won one game and lost one.

The Fredericton Capital was so discomfited last week as to suppress a report of the recent match "Fredericton vs. Chatham Club," and stated that the Fredericton Carriers "licked" those of the Miramichi (meaning no doubt the Newcastle rink), who have mismanaged their rink and, thereby, afford considerable opportunity of doing what the Capital has done.

The regular rinks of the Chatham Club are now contesting for the Harris cup, the sub-skips having charge of the play. The rinks opposed to each other in the first stage of the match are skipped as follows—

H. P. Marquis vs. Wm. Johnston, Arthur Johnston vs. A. Harris, J. R. Grieve, skip vs. D. M. Loggie, and J. R. Grieve, skip vs. D. M. Loggie.

In the first play which took place yesterday afternoon between Messrs. Brown and Loggie's rinks, Loggie won by two points after a stubborn contest. Messrs. Arthur Johnston and Harris' Rinks were to play last evening.

The Fredericton Club is to play against St. John Clubs this week, the Fredericton players being as follows—

Match with the Fredericton club: Randolph Hann, W. Allen, skip; J. R. Grieve, skip; E. Allen, skip; J. R. Grieve, skip; E. Allen, skip; J. R. Grieve, skip; E. Allen, skip.

Match with Mr. Adams's club: C. Allen, W. Allen, skip; J. R. Grieve, skip; E. Allen, skip; J. R. Grieve, skip; E. Allen, skip; J. R. Grieve, skip; E. Allen, skip.

A Challenge from St. John. On Tuesday morning a challenge for a friendly match—four rinks a side—was received from the St. Andrew's Club, St. John, and asking the Chatham Club to "name the day" when the St. John men should put in an appearance. An acceptance was immediately returned stating that the Chatham Club would be glad to see the St. Andrew's men any day after Wednesday next week.

At Newcastle in the Miramichi Rink—the Club Carriers have been playing since, Press vs. Vice-Press, the former winning by an aggregate of 96 to 44 and the backsliders of the same club have defeated the married men on their cards, Melancon—Colored Walnut, 44 to 33.

HIGHLAND SOCIETY CUP. The Cup to be offered by the Highland Society of N. B., at Miramichi, as an annual prize for competition between Miramichi Carriers, has arrived. It is of solid silver and stands about thirty and a half inches high. The stem consists of three brooms which support the cup proper, and between the brooms on the base are three curling stones. The cup is also in the form of a curling stone. Two sides of the cup are ornamented with the thistle, one of which bears a suitable inscription. The trophy cost about \$65 and will long be a prize upon which our curlers will place a high value.

Agricultural Society Exhibition. The exhibition of Grain, Roots, Domestic Manufactures, etc., of the Northern and Eastern Agricultural Society, was held in the Masonic Hall, Newcastle, on Thursday last. The display was a good one, and considerable interest was manifested, the whole being a decided improvement on former exhibitions.

There were one hundred and seven samples all told. Of Rough Buckwheat, three, Timothy Seed, one, Black Oats, five, White Oats, three, Peas, one, White Bald Wheat, six, Red Bald Wheat, one, Barley, three, White Beans, one, Butter, nineteen, Beets, one, early and late Potatoes, sixteen, Worked Mats, nineteen, four of Stocks, two of Mitts, and sixteen of Wool and Cotton and Wool Goods.

The following gentlemen were appointed as judges—

On Grains—Messrs. James Falconer, John O'Brien, Patrick Wheeler.

On Domestic Manufactures—Messrs. George Stables, Thomas Mullans, John Malby.

On Butter and Potatoes—Messrs. Chas. Sargent, Isaac Harris, W. C. Anslow.

Prizes were awarded as follows—

2nd White Bald Wheat, 62 lbs., W. C. Anslow .75
3rd White Bald Wheat, 61 lbs., Jas. Falconer .50

12th White Bald Wheat, 34 lbs., J. Malby .01
13th White Bald Wheat, 31 lbs., J. Malby .01
14th White Bald Wheat, 28 lbs., J. Malby .01
15th White Bald Wheat, 25 lbs., J. Malby .01
16th White Bald Wheat, 22 lbs., J. Malby .01
17th White Bald Wheat, 19 lbs., J. Malby .01
18th White Bald Wheat, 16 lbs., J. Malby .01

20th White Bald Wheat, 10 lbs., J. Malby .01

position, which would be the means of drawing a large number of people together, and an opportunity would be afforded of exchanging views on various subjects in reference to our agricultural and manufacturing facilities, and we feel assured that an exhibit would be presented which would be an honor to our County and a credit to the exhibitors. We trust some of the leading men in different parts of the County will take this matter up, in which case there will be no doubt of its success.—Advocate.

Newcastle Carnival. The Carnival in the Miramichi Skating and Curling Rink at Newcastle on Tuesday evening, was the most successful and enjoyable ever held in that favorite winter resort. The management was excellent, although the failure of the gas supply—which seems to be very unreliable of late in Newcastle—interfered somewhat with the pleasure of both spectators and masqueraders. The number of the latter on the ice was about one hundred—rather more than less—and the character of the masquerade was varied and of an unusual order. The band performed its part well, as far as the light would admit of the bandmen reading their scores; the ice was in excellent condition and a thoroughly good time was enjoyed by all who attended. The list of characters, which we give below, was made up under difficulties. Our masquerading friends do not all write plainly, and therefore their names cannot be correctly guessed at in every case; in fact, ladies and gentlemen, girls and boys, alike, only vouch for the purchase of their wares and before their family names on their cards, and as far as may mean Francis or Frances, and L. Louise or Louis, it is not an easy matter to properly classify the sexes.

Our gentlemen were in the greatest number, and their names were in greater variety than at any previous affair of the kind in Newcastle.
