Chinese Rebels Captured a
Brigadier's Family—Large
Bodies of Troops are Being
Sent Out—Missionaries
are Fleeing

CANTON, May 29.—The revolutionists in the neighborhood of Swatow recently captured the entire family of a Chinese Brigadier General and compelled them all to drown themselves in a well.

Thirteen hundred troops have been dispatched from Canton to Swatow and another detachment has gone there from Shingling.

The mission, with the exception of the German Mission at Lea Chow, have thus far been unmolested, but the missionaries are abandoning their stations and seeking refuge here.

The local authorities take a serious view of the situation and are urging the authorities at Canton to despatch gunboats here.

Incumbent and outgoing Chinese passengers on the Chaochow railroad are searched.

Italy mourns the Loss of Another Art
Treasure, Taken Away by
Trickery.

PERUGIA, Italy, May 29.—The loss of another art treasure has aroused the indignation of the Italian people and there is an intimation that the missing property has passed into the hands of an American.

The church of San Pietro of this city had in its possession 22 large illuminated volumes dating from the fifteenth and sixteenth centuries.

They were the work of the best masters of the art and the most beautiful of the kind in the world.

When most time laboring in the vineyards will encounter greater difficulty than usual in finding other employment, and as a result of this there is certain to be a period of great distress and with the view of mitigating as much as possible the evils resulting from the glut of the labor market, Chamber of Deputies yesterday passed a bill releasing the 1904 conscripts in July instead of November of this year.

ST. PETERSBURG, May 29.—The commission under the presidency of the Minister of Commerce, which has been considering the future of the Russian half of the Island of Sakhalin, has decided in favor of permitting foreigners, with the consent of the Minister of Commerce, Finance and Agriculture, to exploit the mineral wealth in that part of the empire.

GOVERNMENT PLANS A
LAND DISTRIBUTION SCHEME

MADRID, May 29.—The government has elaborated and submitted to parliament a scheme for the distribution of the cultivated lands belonging to the state, to the communes, so as to allow each head of a family desiring to do so to take up a sufficient area to maintain his family.

The land will be granted to the inhabitants of the communes on the payment of 25 per cent. of its actual value, the whole amount of the purchase money to be repaid in fifty years. The plan involves the organization of co-operative societies to aid the colonies in securing and exploiting the lands.

(Special to the Star.)
FREDERICTON, May 29.—Preliminary examination in the Crockett libel suit was begun this morning at 11 o'clock before Col. Marsh and formal adjournment made until this afternoon.

Barry, appearing for the prosecution, said that they were not ready. McLeod, saying that he appeared with Hazen and Crockett for the defense, offered no objection to adjournment, although he had not been officially notified.

As it was not generally known that the case stands adjourned this morning, Emmerson and Pugsley are to arrive at noon.

ARMENIANS MAY ORGANIZE TO
FIND PRIEST'S MURDERERS

Police are Now Looking for the Woman in
the Case—A Suspect Reported
in Chicago

CHICAGO, Ill., May 29.—Sarkis Eremoyan, supposed leader of a band of Armenians who may be connected with the death of Rev. Father Kasper Variorian, is believed by the police to be in Chicago.

A man corresponding to the name of Eremoyan was seen yesterday in a Van Buren street pawnshop, and he was identified as the man who had been reported to have been in Chicago with his brother.

A few hours later the trunk containing the body was taken to the 37th street house, Yahrman Sorposion, who keeps a restaurant in East 26th street, told the police that the priest was in his restaurant from 11 until 12 o'clock on Wednesday. He was alone at the time.

Bishop Sarajian, of West Hoboken, told the police today that he believed the priest had a large sum of money with him when he was killed. He said that Father Kasper a month ago went to Worcester, Mass., and there carried out a large sum for the church which he doubtless had with him when he was killed.

Failure of the police to arrest the murderers may result in the organization of groups of the better class of Armenians in different parts to prosecute the search for the murderers.

Ditcher was arrested yesterday morning in a sealed box-car and claimed he had gone there to light his pipe and fell asleep. Hon. H. B. Emmerson has offered a gold medal for the first prize in the Y. M. C. A. road race which is to be held on June 8.

THOUSANDS VIEW BODY
OF MRS. MCKINLEY
All Yesterday Afternoon a Stream of
People Passed by the Casket in Her
Home in Canton

CANTON, Ohio, May 29.—Banked on every side with fragrant flowers, Mrs. McKinley's casket was passed by thousands of persons this afternoon. Cantonians paid their tribute in the best way they could since by request it had been denied them the privilege of any funeral decorations in the city or any general municipal participation in the procession.

It was estimated that 8,000 passed through the McKinley home in the time allotted. It had been stated that admission to the house would be from 3 to 5 o'clock. At 1:30 today, however, women and children lined up in front of the house awaiting to pass by the casket.

The doors were opened at 2:30 and from that time until 5:30, the people of whom had known Mr. and Mrs. McKinley from childhood, the middle aged, and a throng of school children paid silent but sorrowful tribute to the woman they loved.

Mothers carrying babies in their arms waited two hours in line for their turn to pass through the house. The casket rests in the room and in the same place where the body of President McKinley was placed while in the family home.

Hanging on the wall in the room where the body is reposing are photographs of President McKinley, Senator Hanna and framed documents received by the president during his illustrious career.

The funeral service tomorrow afternoon beginning at 2 o'clock, will be simple and brief. Dr. Buxton, present pastor of the First Methodist church and Dr. Holmes, former pastor, will have charge.

CANTON, Ohio, May 29.—During the night and this morning up to the hour later the casket of President McKinley was in the care of the county coroner to arrive here to attend the funeral of Mrs. McKinley.

A rumor, apparently originating in Cleveland, that Michael Colgoose, the brother of the assassin of President McKinley, was in Canton, was discredited by the local police. Yesterday Inspector Sutton of the federal secret service held a conference with Chief of Police Smith relative to preserving order in the crowds in President Roosevelt's vicinity and to guard the president from possible injury.

While placing no credence in the Colgoose story the police are on the alert and will take no chances in safeguarding the president. Inspector Sutton today service held over the route from the McKinley home to the cemetery and pronounced himself satisfied with the arrangements.

PARIS, May 29.—A woman, named Mme. Guggenheim, was fined \$30 in a court yesterday for having committed an assault upon the Duke of Galliera, husband of the Infanta Eulalia, aunt of the present king of Spain.

Mme. Guggenheim recently availed the duke outside of a store in the Rue de La-Paix, and when she came out she labored him with her parasol, much to the edification of the passers by. She claimed in court that she had left her husband for love of the duke, and that he had subsequently neglected her.

BRIDGEPORT, Conn., May 29.—Dave Holly, of Philadelphia, the colored welterweight, was beaten so badly before the third round of his fight with Sator Burke was concluded here last night that the police stopped the bout. Burke stored three knockdowns in the first five in the second and four in the third, when the police interfered. Holly was outclassed at all stages.

MACHINISTS ON STRIKE
ON A SOUTHERN RAILWAY

LOUISVILLE, Pa., May 29.—Vice-President Buckle of the International Association of Machinists this morning ordered a strike of machinists on the entire Louisville and Nashville system.

There are between 500 machinists employed on the road, 245 of them working in the South Louisville shops. It is asserted that 80 per cent. of the men would go out upon receipt of the order and that they would be followed. If it became necessary by the blacksmiths, boiler makers and other skilled mechanics in the different shops.

In the Trial of the Men Who
are Charged With At-
tempting to Kill President
Cabrera

GUATEMALA CITY, May 29.—The correspondent of the Associated Press has interviewed the foreign diplomat in regard to the arrests made in connection with the attempt on the life of President Cabrera. The Spanish minister, Senor Garcia-Jove, said that two Spaniards are on trial on the charge of conspiracy against the President.

The Italian minister, Signor Carlo Nagar, stated that he was watching the cases of the Italian citizens alleged to be implicated and he felt confident they could make a good defense. The Italian colony was now assured that every opportunity would be given to their fellow citizens to prove their innocence when the appeal is taken from the findings of the Military Court.

Count Von Scherwin, the German minister, said that only one German had been imprisoned and he had not been tried. The minister has sent a physician to examine this man, who is said to be irresponsible for his action. A certificate to this effect has been filed with the authorities.

While the majority of the Diplomats refused to discuss the matter it was authoritatively stated that no joint action in connection with the case of the prisoners, would be taken.

VOLIVA HAS BEEN
ORDERED TO GET OUT

Must Give up all Zion City Buildings This
Month—His Cheque Not
Honored.

CHICAGO, Ill., May 29.—General Overseer Voliva, who succeeded in ousting the late John Alexander Dowie from control of Zion City, has been ordered by Receiver John C. Hatley to vacate all leases of buildings on May 31st.

This action comes as a climax to a bitter quarrel between Voliva and the president of Zion City Bank. Voliva presented his check at the bank for \$1,800 and demanded payment at once. The bank official refused to comply with the request until he had advice from Receiver Hatley. The receiver ordered the cashier of the bank to withhold all moneys from Voliva and then notified Voliva that June 7, the lease held by him on the tabernacle, administration building and public schools would expire.

WEDS SWEETHEART
OF 50 YEARS AGO

Lovers, Separated in Buffalo, N. Y.
Are United After Span of Half
a Century.

OMAHA, Neb., May 29.—Judge Isaac S. Hascall, of Omaha, married today, in Buffalo, N. Y., the sweetheart whom he knew and loved more than fifty years ago. Judge Hascall is in his seventy-seventh year and his bride is sixty-eight. Her maiden name was Fortia Hawkins. She was married, but her husband is dead.

Back in the fifties Judge Hascall often called at the Hawkins home to discuss Shakespeare with the father of Miss Hawkins. There he saw and fell in love with her. But Isaac Hascall went away to the West. He carried the first law library to the Pacific coast and made a name for himself in the early days as a lawyer. He settled in Omaha in 1865 and has resided here since that time.

Judge Hascall made and lost several fortunes in real estate here. He took a large part for a time in politics and was considered a "boss" in city affairs for several years.

In later years, after a divorce from his wife, he has lived more the life of a recluse, occupying a large house standing on the bluff overlooking the Missouri River, east of Riverfront Park. A few months ago came a letter from her who had been Miss Fortia Hawkins. It was answered immediately and the correspondence was kept up. Judge Hascall went east a week ago and the wedding has just been announced.

BOSTON, May 29.—The elimination in the first day's play in the New England inter-collegiate tennis championship at the Longwood Cricket Club of Vermont, Dartmouth and Amherst, in the singles and Williams and Vermont in the doubles left Tutts, Brown, Technology and Wesleyan the best position to secure points in the championship trophy.

Brogan claims that he was struck on the head with a sand bag or bludge and was falling received a stinging blow in the face.
