Mrs. Harkley, the wife of Captain Harkley, Well-known Lake Captain of Owen Sound, Ont., Tells How La Grippe Left Her, and How Often Doctors Gave Up Hope and Her Family and Friends Despaired of Her Recovery—The Great South American Nerve was the Beacon which Directed Her Into the Good Health Harbor.

"About four years ago I was afflicted with a severe attack of la grippe, which left me almost a complete wreck. I was prostrated for weeks, I doctored with several physicians and used many remedies, but none had any lasting effect. My friends began to be alarmed for my recovery. The doctors shook their heads, and held out little hope. I was attracted by an advertisement of South American Nerve, and as my trouble was of a nervous nature I decided to try it. The first bottle helped me greatly. I persisted in its use and this great remedy has completely built up my system, and I positively declare that it is the only remedy that gave me any relief."

I began to grow worse, and the pains were frequent and intense. About this time I saw South American Kidney Cure advertised as a speedy relief for all kidney troubles. I purchased a bottle, and it gave me wonderful relief in a few hours. I improved steadily, and after taking four bottles I am completely cured. I consider it worth its weight in gold, for it assuredly saved my life."

It has indeed proved a wonderful cure in my case. I have spent thousands of dollars in doctors' bills and medicines without avail. Five bottles of this wonder-worker has cured all pain. I am better in health generally than I have been for ten years."

The Montreal Star cable from London says: A cable received here from Ottawa states that Hon. Mr. Laurier, or some of his followers, intend to move an address congratulating the Queen, in parliament, and inviting the Duke and Duchess of York to visit Canada this summer. This announcement evokes surprise. An interesting event is expected in the duchess' household in April, and it was the fact that caused the recent intimation from the highest quarters in the Canadian Gazette that the royalities had formed no intention of a visit to Canada this year.

years ago, Rev. Job Roadhouse, of Seelye's Bay, Ont., wrote us:—"Allow me to tell of my high appreciation of the K. D. C. The state of my stomach was affecting my health, at times I feared the loss of my voice, but K. D. C. brought such relief that I cannot but believe it to be a Godsend. It is the best stomach medicine I have met with."

AGAIN he wrote May 26th, 1896, as follows:—"I have not heard anyone say anything detrimental to K. D. C. who has used it, but everyone commends it as a good medicine. It advertises itself wherever it goes."
