 Tinker's Conduct Costs Chicago the Game.
 Chicago, July 18.—Chicago forfeited to Brooklyn today's game by a technical score of 9 to 0, because Manager Tinker refused to leave the field when Umpire Nyrone ordered him away. MOOSEPATH THIS EVENING.
 Considerable interest is being displayed among the horsemen on the result of the match race between Car Ferry and Ringen Light on the Moosepath track this evening. The match is for one hundred dollars a side. A match for fifty a side was raced about a week ago in which the Ringen horse proved the winner, but the heats were so closely contested that the followers of Car Ferry think that this horse has a good chance of winning this evening. In addition to the match there will be a class race with some of the best horses in the city starting. The first heat will start at seven o'clock.

ST. PETER'S LEAGUE GAME.
 The same in St. Peter's league last night was between the Shamrocks and Roses and nine innings of fairly good ball was played. The Shamrocks won out by a score of six to four, but if the Roses had used a little more judgment in running bases there might have been a different story to tell. McMuray wants to get wise and not run over first base without touching it on those long drives of his.
 The score by innings was:
 Shamrocks 00010110—4
 Roses 00010200—6

GREAT BRITAIN LEADS.

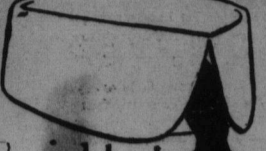

Washington, July 18.—Great Britain, although hampered by the drain of

war and a big naval construction programme, still leads the world in building merchantmen, according to a statement issued today by the United

States Bureau of Navigation. Her shipyards have under actual construction now 423 steel merchant ships of

more but for the fact that private yards are engaged in building war vessels.

Your family physician will tell you that there are times in all our lives when an invigorating tonic is not only desirable but necessary. This is particularly true of persons who are run down or who are recovering from a serious illness.

For this purpose
RED BALL ALE and PORTER
 are recommended as excellent tonics.
