## LIKELY LOOKING PLAYER

WILSON FEWSTER

Wilson Fewster is a likely looking young player who has been doing very well with the Yankees in the American League. Fewster is an earnest, hard working kid who is anxious to make a name for himself in big company, and it is not surprising that he has been playing in the infield, and his work has pleased his manager, Miller Huggins.

## RED TROOPS ARE RUNNING NORTH

Kiev Entirely Cleared of Bolsheviks and Ukrainians Are in Hot Pursuit.

Geneva, Sept. 9.—(French Wireless)—The city of Kiev, which recently was captured from the Bolsheviks, has not only been entirely cleared of Bolshevik forces, but the Ukrainians have advanced more than thirty miles northward, the Ukrainian press bureau here announces. The red troops are being pursued by the Ukrainians along the River Dniester.

## GAS EXPLOSION IN NEW YORK CAUSES HEAVY WRECKAGE

Gases, Which Accumulated Under Pavement, Exploded, Shattering Glass Fronts and Injuring Many.

New York, Sept. 9.—Several persons were injured, and hundreds of windows were shattered when gases, which had accumulated under the pavement at Third Avenue and Forty-Second Street, caused a series of spectacular explosions today. The coverings of manholes were buried high into the air, some of them over the elevated railroad structures. No one was hit by the covers when they fell, and most of the injured were cut by the broken glass, the explosions caused a panic in the neighborhood, and police reserves were called to restore order.

## STAR PLAYERS IN BIG GOLF CHAMPIONSHIP

Bobby Jones and Davidson Heron were two of the most prominent winners in the preliminaries during the national golf tournament at the Oakmont Country Club, near Pittsburgh. Bobby Jones is the boy wonder, who triumphed over Fowkes in a closely contested match.

## The Grand Circuit Races Yesterday

MacGregor the Great Won Classic Empire State \$10,000 Stake and Set New Record.

Syracuse, N. Y., Sept. 9.—Walter Cox, king of New England horsemen, achieved the ambition of his career at the Syracuse Grand Circuit meeting today when he piloted MacGregor the Great, fastest of Peter The Great and Ruth McGregor, to a straight heat victory in the classic empire state \$10,000 stake for 212 class trotters. Cox not only won the event but established a new record in the first heat which MacGregor stepped in 2:03 1/4. It was the fastest time a trotter ever made in the big event.

SEEKING NEW CHURCH.  
It is stated yesterday that the members of the Seven Day Adventist church are negotiating with the owners of the Reformed Baptist church in Carlton street for the purchase of that building. A price has been set on the edifice and the prospective purchasers will have several days for consideration.  
It is understood that if the building is purchased it will be improved and remodelled. At the present time the Adventists are using the Orange Hall, Simonds street as a meeting place.

## LITTLE BITS OF SPORT CHATTER

Duncan C. Ross, holder of the Victoria Cross for valor in the British Army, formerly world's champion broadswordman and noted as a wrestler of days gone by, was found dead in his little curio shop in Pennsylvania avenue, Baltimore. He suffered a stroke of paralysis some time ago and it is believed a second stroke caused his death.

Cy Falkenberg, the old Cleveland and Washington pitcher, is somewhat of an iron man out on the Pacific Coast. The "Human Slat" won three games in a series recently for Oakland against San Francisco, pitching on Wednesday, Saturday and Monday.

Georgetown University is indeed lucky in its prospect of enrolling four such star schoolboy athletes as Billy Nolan of East Boston High, John Feeney of English High, Gus Malley of Boston Latin and Jimmy Connolly of Woburn High. Nolan, Feeney and Connolly are among the best in track athletics, and Malley has the distinction of having been both a baseball and football captain.

Rabbit Maraville is the same old candy kid among the New York fans. The Rabbit might be with one of the real fall-end teams—but the New Yorkers waive this fact when the Rabbit ever comes to New York. Funny Johnny McGraw doesn't try to catch him, but he has had pretty good success with every other big league star he has gone after.

Jimmy Wilde, the British flyweight champion, is planning a pugilistic invasion of this country. He hopes to meet all the best boys in the different cities that he will visit over the four-round distance. "Won't it be nice to travel from one city to another and meet all the different boys?" says Jimmy. Yes, it will, provided some youngster doesn't plant one on the end of his jaw. Then it will be the next best home for little Jimmy—Boston Post.

All the New England athletes who competed in the Canadian Exhibition games Saturday almost want to become Maple Leaf wrestlers. They claim that the Prince of Wales was never treated more royally than on their little jaunt to Toronto.

Jimmy Connolly didn't beat Joe Ray but he did the next best thing by forcing the little Illinois runner to do 4:14 for the mile in the Canadian games. Yes, Jimmy, we are proud of you and there is a chance to get Flying Jole yet—Exchange.

No one is happier over the popularity of the eight-round, no decision game in Jersey than Johnny Kilbane, the featherweight champion. With eight-round gloves for pillows and no decisions and only 24 minutes of scrapping, Johnny can hold on to that featherweight title for a while longer.

Reading about Pat Ryan winning three events in the weights at the Camp Dix Olympic games last Saturday recalls when John Flanagan was in his prime. John never thought that he did a day's work unless he copped the hammer, 56 and shot in one day's meeting.

## SIX VESSELS WITH 4,725 SOLDIERS ON ATLANTIC

Over Three Hundred of the Returning Men Are for St. John Dispersal District.

Ottawa, Sept. 9.—Six vessels carrying a total of 4,725 Canadian soldiers, of whom 518 are officers and 4,207 belong to other ranks, are now on their way across the Atlantic. They are the Adriatic, which sailed on September 3rd, carrying 100 officers and 696 other ranks, and will dock at Halifax on or about September 11; the Cedric, sailed September 4th, with 48 officers and 396 other ranks, due about September 12 at Halifax; Canada, sailed September 4th, carrying 47 officers, 282 other ranks, due September 12th at Quebec; Saturnia, sailed September 5th, carrying 15 officers, 130 other ranks, due at Quebec September 14th; Orinda, sailed September 6th, carrying 92 officers and 397 other ranks; Minnekahda sailed September 6th, carrying 147 officers and 2,365 other ranks, due at Halifax on September 14.

Herbert N. Hoover—it will be impossible now to prevent death by starvation of 200,000 people in Armenia. But by faithful, energetic work we may be able to save 500,000.

## Horse Racing At St. Stephen Fair

Every Heat Was Hotly Contested from Start to Finish—The Summaries.

Special to The Standard.  
St. Stephen, N. B., Sept. 9.—Though one event was won in three heats and one in four, the horse races at the St. Stephen Fair was of an exciting nature, every heat being fought from wire to wire with nose to nose finishes.

The 220 mixed, purse \$300, had seven starters in the following order: Roy Miller, Saskia, Singer, Brage, Tr. Fast, Jeffrey and Jobbie. Miller, who was badly, and after a few tries the scoring was by Saskia. Miller was distanced in the second heat, and Jobbie in the third after a very close break. Jeffrey, who was trailing the field at the quarter in the first heat, tripped in his popples and fell headlong, throwing his driver into the grade field, but without injury, resulting in the horse being drawn.

The summary follows:  
Saskia, W. H. Keys, St. Stephen . . . 2 1 1  
Roy Miller, Saskia, Singer, Brage, Tr. Fast, Jeffrey and Jobbie . . . 1 2 3  
Singer, E. Burke, St. John 5 6 2 3  
Try Fast, W. V. Douse, Caribou . . . 3 4 3 4  
Jobbie, R. Brown, St. John . . . 4 3 ds.  
Roy Miller, B. E. Reardon, Moncton . . . 6 ds.  
J. Frey, E. W. McBride, Presque Isle . . . 7 dr.  
Time—2:16 1/2; 2:16 1/2; 2:18 1/2; 2:17.

The 219 trot had four starters in the following order: Monako, Evelyn B. Border Prince and Harvest Hope. The feature of this exciting contest was the winning of the event by the little mare from a field of three big stallions, though she had to fight for every heat either with Harvest Hope or Border Prince, and one of the other a very close third. The summaries follow:

Evelyn B. H. R. Haley, Milltown . . . 1 1 1  
Harvest Hope, H. C. Jewett, Fredericton . . . 2 2 3  
Border Prince, W. Brickley, St. John . . . 3 2 3  
Monako, C. B. McKay, St. Stephen . . . 4 3 3  
Time—2:21; 2:20; 2:21.  
Robert M. Webber, of Milltown, was the efficient starter, and gave very general satisfaction. The events for the 214, 217 and 235, all mixed. Very great interest centres in the big free-for-all, mixed, which will be raced Thursday with the following starters already on the grounds: White Sox, Peter Farren, John A. Hal, and The Exposer, and two others present that may start.

## TURKISH TANGLE DEVELOPING NEW COMPLICATIONS

Paris, Sept. 7.—(By the Associated Press.)—The Austrian and Bulgarian treaties are virtually out of the way, owing to the recent work on them by the Supreme Council. The Austrian treaty is likely to be signed next Thursday, and the Bulgarian compact probably within a fortnight, while the Hungarian treaty will be ready for presentation as soon as the Government at Budapest is organized and sends a delegation to Paris.

But all these treaties have been perfected by postponing most stubborn problems. The Turkish, Albanian and Dobruja problems all have been postponed and behind them looms the question as to what is to be the disposition of Turkey. This daily is becoming more complicated. Great Britain, France, Italy and Greece are seemingly hopelessly involved in the Turkish tangle, having such conflicting aspirations that it would appear unlikely that they can agree on the partitioning of Turkey among themselves without an arbitral. With the Italians in southern Anatolia, the Greeks in Smyrna, the British and French in Syria, and the Greeks clamoring for Thrace and Dobruja, the Peace Conference has fought shy of the situation to a great extent since it gave the Turkish delegation a hearing and sent it home after learning how dangerous it would be to complicate Near Eastern problems with the other troubles.

Meantime, the British withdrawal from Armenia is threatening the entire Armenian population with massacre and the Turks are showing increased hostilities to the Italian troops in southern Anatolia and to the Greek troops in the vicinity of Smyrna. In fact, all Asia Minor is in a state of ferment while the Grand Vizier in Constantinople is holding meetings with the representatives of the United States, and the United States is endeavoring to raise funds to hold Turkey together pending an international decision as to her future.

It is likely that many of the new members of the Conference will participate in the deliberations after the United States decides whether it will accept a mandate for Turkey, and the entire Near Eastern question will be considered.

The entire Turkish problem hinges upon the attitude of the United States towards the mandate.

## Swimmers Get Handsome Medals

Presentation of Prizes at Labor Fair Last Evening—Won at Marble Cove.

The medals won in the Labor Day swimming sports at the Marble Cove swimming pools were presented to the winners last night at the Labor Fair by J. A. Barry. Before calling on the winners to come and receive the medals, Mr. Barry referred to the benefit of the training received at the swimming schools under the able tuition of Jack Redfern at the North End and Mark Burns on the West Side, and predicted that more and better accommodation would be provided next year, as the commissioners and the public generally were becoming better acquainted with the benefits of such facilities. He then presented the medals as follows:
