Fredericton High Trimmed Sussex

Last Game of Intercollegiate League Played at Capital—Score 6 to 1.

Special to The Standard. Fredericton, N. B., Feb. 25.—Fredericton High School jumped to second position in the intercollegiate league last evening by defeating the Sussex School team by a score of six to one in a one-sided but well played hockey match.

The game, which was the last of the league series, brought out a large number of high school rosters, who played their part well in the first stages of the game, but who seemed to lose interest as soon as the local boys had amassed a good lead. Combination play in the early stages of the game gave the Fredericton boys a good lead, the score standing three to one in favor of Fredericton at the end of the first period. Keen, the captain, was the star of the game, scoring three goals and making several passes. In the second period, the Fredericton boys continued their attack, and in the third period, they scored the winning goal. The game was a well played one, and the Fredericton boys were well deserved winners.

"Dals" Put It Over U. N. B. Aggregation

Dalhousie Had Walkover With New Brunswick College Hockey Team at Amherst.

Special to The Standard. Amherst, N. B., Feb. 25.—Despite their victory over Kings University in the championship contest, the New Brunswick College hockey team had little to show this evening when they were pitted against the veteran Dalhousie aggregation for the intercollegiate championship.

The game, which was the last of the league series, brought out a large number of high school rosters, who played their part well in the first stages of the game, but who seemed to lose interest as soon as the local boys had amassed a good lead. Dominion Record Badly Trimmed

The Y.M.C.A. athletes surpassed their last year's Dominion record by eight points in the National Hexathlon, the three final events of which were run off last night. Last year they led all the other Y.M.C.A.'s in Canada by 150 points. This year they have done even better, and the blue banner, the token of championship is practically certain to be awarded St. John again.

The events competed in last night comprised the 160 yard potato race, the standing broad jump, and the fence vault. The six leaders in each event and the number scored in the same event last year, as well as the totals of last night's performance, and the grand totals, with those of 1920 follows:

Halifax Team Lost To U. N. B.

Wanderers Were Taken Into Camp in Basketball Game by Score of 39 to 25.

Fredericton, Feb. 25.—The U. N. B. Basketball team trimmed the Wanderers at the College Gym. last evening by a score of 39 to 25, the visiting team being outclassed by the local boys, whose passing and shooting was accurate at all times.

Within twenty seconds of the start of play Trimble on a pass from Willett netted the first basket of the game. Dummer for the Red and Black team secured the majority of his team's baskets, while Trimble also demonstrated his ability to score from almost any position on the floor. In the first period the Wanderers fouled often and were called to task for their breaks by both the referee and the umpire. The shooting of McCoy for the visitors and Dummer for the U. N. B. team stood out prominently in the first period, while the defensive game put up by Hattie for the Wanderers was one of the best. Willett, the star of last year's U. N. B. team, was plainly off in the first period, but in the second period of play he came back strong. In the second period McLeod, for the visiting team, was hurt and replaced by Young. The game was one of the fastest played in the U. N. B. gymnasium for some time, and although the Wanderers were no match for the Red and Black players, they put up a splendid up-hill fight.

The Line-up

U. N. B. Wanderers
Willett McCoy
Dummer Pacey
Trimble Schiartz
Kearns McLeod
McKenzie Hattie
C. B. Burden handled the whistle and A. McAndrews acted as umpire.

Lipton May Try For Belgian Cup

Shamrock IV, likely to be His Entry if He Decides to Enter Contest.

New York, Feb. 25.—Word was received here today by a member of the New York Yacht Club that Sir Thomas Lipton will probably be a starter in the International yacht race for the King of Belgium's cup next July. Sir Thomas is considering a request from the Belgian ambassador to England to enter a boat and is considering the entrance of Shamrock IV, trim horse for his America's Cup challenger. Shamrock IV is still here. The craft has proved her seaworthy qualities, and if entered, would be a strong contender for the cup. Sir Thomas is expected to make his decision within a few weeks, as he is now going on his annual vacation on the Riviera.

Commercial Men Won A Victory

Three rinks of Commercial Travelers on the St. Andrew's ice last night managed to pull the teeth from the dentist members and take the roll from the Bankers. The Knights of the Grip were happy in winning the curling match with a total score of 37 to 18 and the only reason given for the "D and B" loss is bad luck. At the conclusion of the match the commercial men enjoyed an oyster supper at Bonds and were the guests of the losing players. The following are the rinks and scores:
