THE SELECT COMMITTEE appointed to consider the State of those BRITISH POSSESSIONS in *North America* which are under the Administration of the HUDSON'S BAY COMPANY, or over which they possess a License to Trade, and who were empowered to Report their Observations, together with the MINUTES of EVIDENCE taken before them, to The House:—HAVE considered the Matters to them referred, and have agreed to the following REPORT:—

1. THE near approach of the period when the license of exclusive trade granted in 1838 for 21 years, to the Hudson's Bay Company over that north-western portion of British America which goes by the name of the Indian Territory, must expire, would alone make it necessary that the condition of the whole of the vast regions which are under the administration of the Company should be carefully considered; but there are other circumstances which, in the opinion of Your Committee, would have rendered such a course the duty of the Parliament and Government of this country.

4. Your Committee have also had the opinion of the law officers of the Crown communicated to them on various points connected with the charter of the Hudson's Bay Company.

5. The territory over which the Company now exercise rights is of three descriptions:—

- 1st. The land held by charter, or Rupert's Land.
- 2d. The land held by license, or the Indian Territory.
- 3d. Vancouver's Island.

6. For the nature of the tenure by which these countries are severally connected with the Company, Your Committee would refer to the evidence they have received and the documents appended to their Report.

7. Among the various objects of imperial policy which it is important to attain, Your Committee consider that it is essential to meet the just and reasonable wishes of Canada to be enabled to annex to her territory such portion of the land in her neighbourhood as may be available to her for the
