

# METALLIC CORNICES

WE MAKE  
ANY DESIGN  
REQUIRED.

ASK FOR  
CATALOGUE.

Our "Metallic" Cornices are architecturally correct. They greatly improve the appearance of any building.

They are made from Sheet Copper or Galvanized Steel of the finest quality.

The workmanship, style and ease of application are unequalled.

We also manufacture "Eastlake" Metallic Shingles, Siding, Ceiling, Lath, Doors, Skylights, Ventilators, Corrugated Iron, Pressed Zinc Ornaments, Wired Glass Windows—Warranted Fire, Lightning, Rust and Storm Proof.

Reliable goods only. No cheap trash. Awarded Gold Medals—Paris, France; Jamaica, B.W.I.; Toronto, Canada (3).

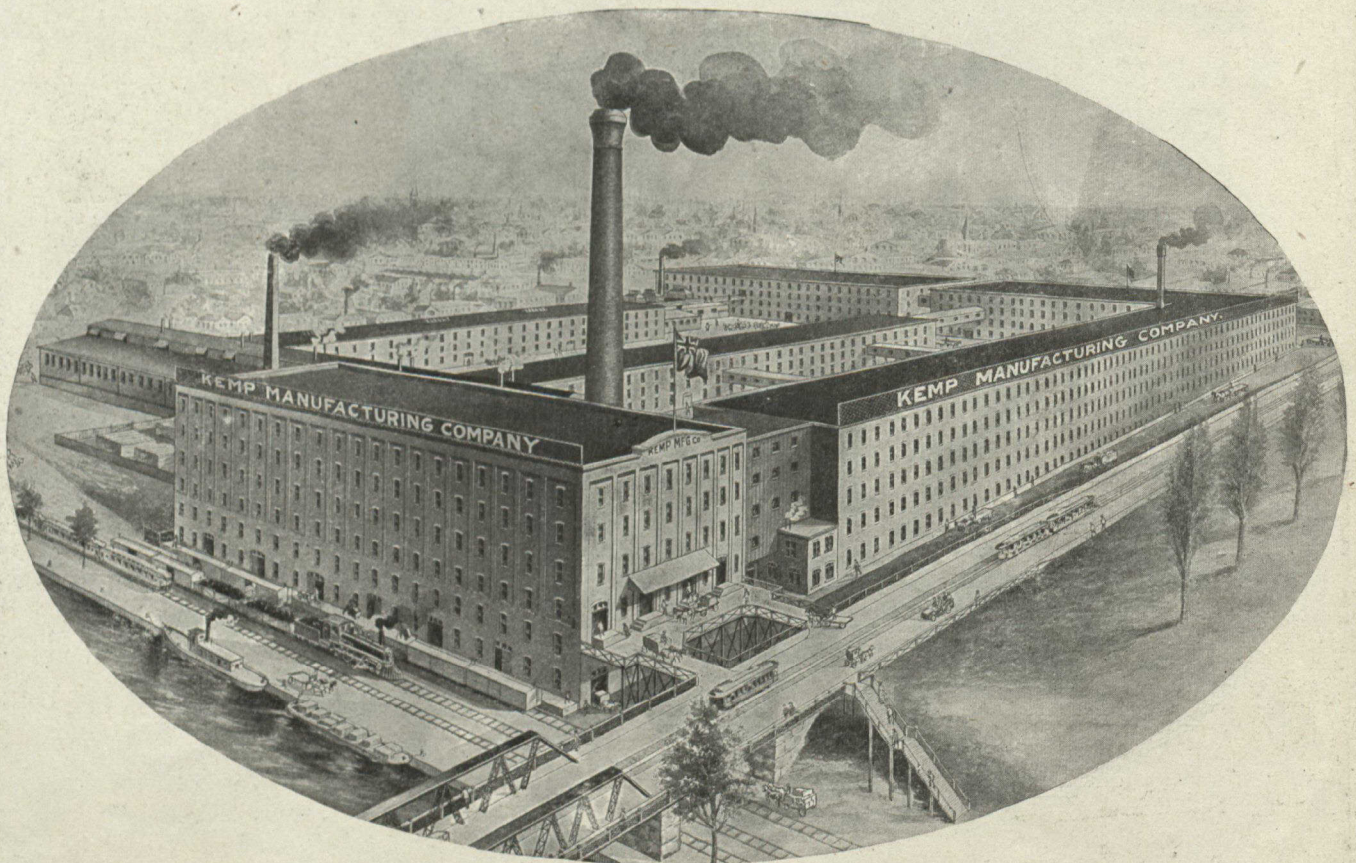

We shall be glad to quote you. Let us know your requirements.
