Your horoscope

Your Birthday

Feb. 7, 1991

Aries (Mar. 21 - Apr. 19)
Like your name says, you are full of it! Don't bluff your boss and don't learn to fly without an airplane, the landing will really hurt.

Taurus (April 20 - May 20)
Whips and chains are the order of the day. Surgical tubing and elastoplast will help hold your mate to the bed frame. Chocolate syrup, baked beans, and a cheese pot will help pass the time as you slumber up on your jello filled air mattress.

Gemini (May 21 - June 20)
If you have any business ventures considered for the future, Forget them! You will end up with lawsuits and court dates that will throw you in jail, where broad shouldered jail birds will throw you to bend over and enjoy it cause you're gonna get it anyway.

Cancer (June 21 - July 22)
Condoms didn't help and neither will penicillin. The present from you mate is the one that keeps on giving. Pray to Allah then go see the doctor. A .44 magnum might be in order to return the favor to your mate.

BERNICE BEDE OSOL

Leo (July 23 - Aug. 22)
You are a warm and intelligent human being... NOT! You are a Festering pool of pig shit with no where to go but up (maybe). If you can pull yourself out of your morbid depression for two minutes, you will go down to the nearest Irving Pulp Plant and play in the outlet valves.

Virgo (Aug. 23 - Sept. 22)
NUNS are on your mind today. Take up a masochistic hobby. Ignore pleas for help - No one else is as good as you and they point deserve your assistance. Try to smell horrible.

Libra (Sept. 23 - Oct. 23)
Your luck is good and the condom hasn't expired yet! Go down to the nearest weight loss center and start begging. If that fails the SOCA is always a good choice. Don't give there's always a stray in everyone's life.

Scorpio (Oct. 24 - Nov. 22)
Diets are good to start today. Go down to the nearest Dawes Weight Loss Center and strip yourself of

unwanted pounds. If anorexia results from your bulgebusting, no problem, the money saved on food can go towards eyeglasses from the Dawes Eyeglasses Co. What still more money left over, well buy yourself a new guitar, new shoes, new wife, new life... Sagittarius (Nov. 23 - Dec. 21)

The most important lesson you'll learn today isn't likely to be found in class rooms or books. Take a stranger home instead. A horrible traffic accident will ruin your day. Collect pencils. Capricorn (Dec. 22 - Jan. 19)

A love interest will turn out to be an invertebrate organism. Stay home and masturbate. Finance blossoms when you buy an automatic weapon. Insult your mother. Aquarius (Jan 20 - Feb. 18)

Keen business sense wins you losers for friends today. Avoid heavy machinery. An uplifting family experience reverts you were adopted. Eat lots of squid. Pisces (Feb. 20 - Mar. 21)

A distant relative will try to kill you. Be aware of other people's underwear. Send all your money to The Brunswick newspaper. You will feel guilt and violent all day.
