Erindale College basketball

Hawks swoop down on Warriors

Erindale College Warriors travelled to Waterloo Saturday and were trimmed 78-66 in an intercollegiate basketball match with the Wilfrid Laurier Hawks.

Warriors led for most of the first half and trailed by only a couple of baskets as they went to the dressing room. But they failed to mount a subsequent challenge against the Hawks junior varsity team which was supplemented by at least one varsity player.

Joe Spagnuolo, Erindale's floor leader was benched near the end of the first half after what Coach Mike Lavelle considered a flagrant lack of hustle on one play. Spagnuolo never played after that.

"The outlet guard (Spagnuolo's position) is not giving leadership on the floor. He controls the game but the kind of play we need is not being given," commented Lavelle.

The coach intends to try third-year guard Al Nakrosius at that spot in an attempt to shake up the offence.

The switch of Greg Keeping to the centre post has helped resolve the lack of rebounding which plagued Warriors earlier in the season and Saturday Keeping did an "excellent job on the boards" according to Lavelle. Contributing more to the offence as well,

the former Erindale Secondary School player had 18 points. Ted Stiski, who has developed into a more prolific scorer as the season progresses netted 16.

Although Warriors had a long layoff from their last game and some players were writing exams right up until the bus pulled out for Waterloo, Lavelle said he didn't think these were significant factors in Erindale's disappointing effort.

'Prince Henry' on a crusade

(Continued from pg. 12)

royal find around the Guelph campus. He's first forward off the bench and has been banging loudly on the door of glory reserved for bona fide starting first-stringers. He has seen action in each of Gryphons' six games so far and averaged about 15 points a game during the five-wins, one-defeat romp.

"Coach Henley doesn't look at scoring alone, he is placing quite a lot of emphasis at defence, too," said Vandenberg. That, of course, is a big plus in his rapid rise, because his abilities to hit for vital points have only been surpassed by big Henry's defensive prowess.

"Collegiate basketball is a lot different from the high school league," he confessed. "Especially under the basket; elbows all over the place."

Do not fear, Prince Henry can stand up to the toughest of jostling.

TOTH-SOME MORSELS — Remember Dave Kelly, the classy Streetsville winger who not only had the Derby Den dazzled a few seasons back but also received bouquets of praises from just about any opposing Central Ontario Junior B Hockey League foe?

Kelly joined the Dundas Merchants after his junior years then tried his sticks at semi-pro hockey in West Germany. Today, "Dazzling Dave" is watching hockey from the sidelines having refused an offer from a U.S. pro team.

Both the Mississauga men's and Ladies' basketball leagues are taking a Christmas siesta until early January.

Former Town of Mississauga Aquatic Club (TOMAC) swimmer Julie Bonner, a TL Kennedy Secondary School student, joined the elite group of Ontario record holders when she turned in a 2:36.8 minute effort over a 200-metre butterfly distance in the recent Hall of Fame extravaganza. Julie's time is a new provincial mark in the 13-14-year-old girls section.

Another Mississaugan, Clarkson student Bruce Rogers, had a fantastic day with Ontario record in the 15-17-year-old boys 200-m fly and the 800 and 1,500-m freestyles.

High school hoopla

(Continued from pg. 12)

Central Peel Centurions went into a zone defence late in the game to pull out a 52-47 win over the Glenforest Gryphons. The visiting Gryphons had held a 27-20 halftime lead and were ahead by a single point with three minutes to play but couldn't hold on against the tall Central Peel team.

"We were competitive and were handling them until they went into the zone," commented Glenforest coach Jon Austin.

Bob Hutchings, an all-star last year returned from an ankle injury and held Centurion's lanky scoring leader Ted Post to three points in the first half. But Post hit for 16 in the second stanza. Andre Graovak added 10.

Ken Aver led the Glenforest scoring again with 17 points while guard Peter Komorowski pumped 14.

Coach Austin praised the consistent talent of Aver who came to Glenforest from the highly regarded basketball power, Windsor Assumption. "He gets seven points, 10 rebounds and 17 points for us every game," the coach noted.

The Gryphons should be strengthened, especially in rebounding, with the return to action of forward Jim Dziedzina soon.

"We have as good a shot to win our division as anybody else," notes the Glenforest coach.

Rep girls unbeaten

Mississauga teams met Brampton on two Ontario Girls Hockey Association fronts and skated away with three of the possible total of four points, as Motor Express midgets won their game without much trouble 5-2 while Herron Chev peewees battled to a 1-1 tie.

Carolyn Kasper's two-goal outburst set the pace in the midget win. Linda Di Angeles, Twila Linden and Wendy Bottrell added singles.

Two Loris combined to save a point for Herrons as Lori Roberts set up Lori Clancy for the equalizer in the peewee encounter.
