Ottawa, 7th December, 1911.

Sir,

With reference to your letter of the 25th ultimo, in which you made requisition for a supply of medicines, I have to request that you will kindly furnish a statement showing the names of the Indians to whom you furnished medicines during the present year. A supply of the necessary forms is transmitted herewith. You will observe that these forms call not only for the name of the patient, but the nature of the complaint treated and the remedy given, and also the result obtained. When the statement asked for is furnished the question of furnishing a further supply of drugs will be considered.

Your obedient servant.

Asst. Deputy & Secretary.
