Ottawa, May 10, 1915.

Sir,

I have to acknowledge the receipt of your letter of the 17th instant, enclosing a communication from the principal of the Puper Island Industrial School, in which he applies for permission to grant the pupils the usual month of summer holidays from June 4th to July 4th next.

In reply I beg to inform you that the Department approves of the principal granting to the pupils their month's summer holidays between the above named dates. We should impress upon the pupils the necessity of their returning promptly to the school on the expiration of their holidays.

Yours faithfully,

Assistant Deputy and Secretary

G. R. Robertson, Esq.,
